

Red Cross '71 Goal Is Fixed

A \$1,800 goal has been established in the Antioch area for the American Red Cross.

President Richard Nixon has proclaimed March as National Red Cross Month.

Preston J. Reckers, Jr., is chairman of the Antioch area.

Assisting Reckers, Vice President of the State Bank of Antioch, in the Antioch drive will be Joe Beemsterboer of Antioch V & S Hardware as retail chairman, Everett Oftedahl of Froese Foam Co. as industrial chairman, Mrs. Harold Gaston of The Antioch News as publicity chairman, and Mrs. Jerry Rockow, assistant cashier of the State Bank of Antioch, as treasurer.

In this drive, as last year, residential areas will be contacted by direct mail, rather than by door-to-door solicitation.

"The funds contributed here," Reckers said, "will be used to support the chapter's local services and to provide its share of financing the expanding national Red Cross programs, especially services to the Armed Forces and veterans."

There are many ways in which the Red Cross helps a local community and the servicemen of the area who are serving their country overseas.

Antioch Township is proud of its Rescue Squad, which Reckers said does a wonderful job 365 days of the year, but did you know that men on the squad are given Red Cross training?

Red Cross also offers first aid courses in Antioch and through the country to others who desire this training. The swimming courses offered at the Antioch Aqua Center are under the supervision of swimming instructors trained by the Red Cross, and are utilized by many young people in the area.

Antioch Township has had an average of 45 servicemen in Vietnam alone, through the past year. There are over 400 Red Crossers in Vietnam, and, in case of emergency, you are as close to your soldier as you are to your Red Cross, Reckers said.

"Our goal this year in the Antioch area is \$1,700," said Reckers, "and I'm sure you will agree that the services of Red Cross deserve your financial support. I hope your organizations will join us in lending a special impetus to this 1971 campaign by giving generously."

Auxiliary Aids Red Cross, Heart Fund

The Sequit Auxiliary V.F.W. 4551 held its regular meeting on March 8th, with president Ellen Flint presiding. Donations were given to Red Cross, Heart Fund and Downey Hospital.

An application for membership was read from Barbara Mitchell and she will be initiated at the next regular meeting.

The Auxiliary voted to purchase 15 room flags for the new Upper Grade School building. Olive Hall was reported on the 100 percent membership dinner she attended in Elmhurst.

There will be an attendance drawing each meeting during the social hour, hoping this will promote interest and getting better attendance.

Mrs. Flint served refreshments.

VOL. LXXXV, NUMBER 38

Immunization Against Measles Is March 17

An immunization against German measles will be offered in Antioch and surrounding area schools March 17.

Cooperating to make the Lake County rubella immunization program a success are the Lake County Medical Association, the Lake County superintendent of schools, the Lake County Health Department, the U.S. Navy Training Center, Great Lakes, the National Foundation March of Dimes and the Lake County Easter Seal.

The vaccination will be given to all Antioch and Lake County children free of charge, through the public, private and parochial school systems.

Children one year of age through grade four will be given this vaccine provided their parents sign and return a permission slip which will be distributed at all schools.

Rubella can be a killer or cause of birth defects.

Although a mild disease if caught by a youngster, this disease can do much damage to the unborn child if caught by a pregnant woman in the early stages of pregnancy.

This vaccine can eliminate such tragedy and provide a happier, healthier start in life to future newborns, medical officials said. The threat of German measles prevented Astronaut Tom Mattingly from making his scheduled Apollo 13 moon trip.

But the disappointment astronaut Mattingly suffered was probably slight compared to the tragedies that can occur when a woman contracts rubella in the early stages of pregnancy.

This disease can cause birth defects in the developing fetus, such as blindness, deafness and

(Continued on page three)

GOP's Will Elect New Officers

Officers will be elected at the 8 p.m. March 17 meeting of the Antioch Township Republican Club at Smart Country House.

The nominating committee, headed by Bill Brook, has recommended the slate of Elroy Anderson, president; Raymond Schreiber, vice president; Jack Gish, secretary; Elmer Eberman, treasurer, and Len Case, sergeant-at-arms.

The retiring president, who will become second vice president, Harry H. Stern.

Members may make nominations from the floor for any of the offices to be filled in addition to those made by the nominating committee.

Only those members in good standing may make nominations or vote in the election.

Mrs. Michael Haviland, of Antioch, undergoes blood pressure test during preliminary check for Spare Your Heart, Sunday, March 28 in the Antioch High School. Examining Mrs. Haviland is Mrs. Clifford Bentz, a nurse from Waukegan. The heart check, sponsored by the Heart Association of Lake County, will cost \$2.

20,000 Expected For Heart Sunday March 28

Response from residents of Lake County to Spare Your Heart Sunday, scheduled 8:30 a.m. to 12:30 p.m. March 28, has been tremendous, according to lay chairmen throughout the county.

This is the day that about 20,000 persons are expected to turn out for a check up in one of 18 centers that have been established in 12 communities. The Antioch center is at the high school. Medical chairman is Dr. Edward Abderhalden, Lay chairman is D. Morris.

City police, physicians, nurses, civic clubs and educators have volunteered to man centers, with each center needing about 44 persons to efficiently operate it.

"A lot of blood will be processed on that day," one volunteer worker said, "and it has to be processed within an hour after it's drawn."

Most of the area hospitals, including Great Lakes Naval Hospital, have agreed to process the blood for cholesterol and glucose content.

"It is one of the greatest things ever undertaken by the Heart Association of Lake County," according to Wallace Salzman, M.D. chairman of community service for the organization.

Dr. Salzman said every individual in the county has the opportunity to put a damper on the nation's and Lake County's number one killer — heart attacks.

Of the 2,430 deaths in 1969 in Lake County, a total of 1,284 were attributed to heart attacks.

Heart disease, which is the nation's number one killer, can be stymied if individuals are elected and educated to its cause, says

Dr. Elmer Wels, President of the Heart Association of Lake County.

Purpose for the check is to identify coronary prone victims and educate the population as to the nature of coronary risk factors.

The check will record smoking and normal physical activities height and weight, blood specimen for cholesterol and glucose content, blood pressure and whether an individual is prone to a heart attack.

It is not a thorough physical examination, but the screening will call attention to possible conditions that lead to heart attacks.

The association said this is the first time this kind of program

(Continued on page two)

Ryan Salesman Completes Truck Selling Course

Pat Ryan, of Lyons-Ryan Ford, Rt. 173, Antioch, has just completed a light truck selling course conducted at Ford's Chicago Marketing Institute.

The course is one of a number offered by Ford Marketing Institutes to benefit customers by emphasizing after-purchase service and customer relations.

Grade School To Stage Gym Demonstration

The Antioch Grade School PTA will sponsor a gym demonstration at 7:30 p.m. Monday, March 15, in the gymnasium. Pupils from first grade through fifth will perform under the direction of Miss Rebecca Montooth.

Refreshments will be served by the second and third grade room mothers.

DeBoer Dies In Crash

An 18-year-old Antioch High School graduate was killed, and another Antioch teen hurt Friday night when their car was struck by another vehicle at the Wisconsin intersection of Rte. 83 and County Trunk AH in Kenosha County.

The victim was Ted G. DeBoer, of 917 Victoria St. He was dead on arrival at Kenosha Memorial Hospital.

A passenger in his car, Michael J. O'Neill, 17, of 455 Birchwood Drive, Antioch, was admitted to the hospital with broken ribs and lacerations to the face and forehead, the Kenosha County sheriff's office reported.

The sheriff's office said DeBoer was driving north on Rte. 83 when it was hit by an eastbound car which went through a stop sign at the intersection with County AH.

Driver of the car, James L. Sellers, 29, of Kenosha, suffered minor injuries. His passenger Carl R. Combs, 26, of Salem, was admitted to the hospital.

DeBoer was home for the weekend from Milton College, Milton, Wis., where he was a freshman.

Born July 8, 1952 in Waukegan, the youth had lived all his life in Antioch. He held a membership in the Antioch United Methodist Church and Alpha Sigma Phi Fraternity.

Besides his parents, he is survived by two brothers, Dennis and David DeBoer at home; and his maternal grandmother, Mrs. Bernice Peterson of Spooner, Wis. Funeral services were held Monday, with the Rev. Donald Cobb of the United Methodist Church officiating. Burial was in Hickory Union Cemetery, near Antioch.

Strang Funeral Home was in charge of arrangements.

College Will Host Workshop

The Business Division of the College of Lake County, in conjunction with IBM, will host a workshop for Lake County business teachers on Saturday, March 13 on the college campus.

Clifton DeBates, chairman of the Business Division, emphasized that all area business teachers are invited to attend the workshop. "The purpose of the workshop is to acquaint instructors with methods and materials of importance to business teachers for the 70's, and to familiarize teachers with the business programs and facilities of the College of Lake County."

(Continued on page three)

Hugo and Edith Gussarson of Lilly Lake will be honored at an open house March 21 marking their 50th wedding anniversary at the home of Mr. and Mrs. Orville Winfield, one mile east of Rte. 45 on Kenosha County Highway V. The Gussarsons, married March 19, 1921 in Chicago, moved to Antioch in March, 1921 and lived in the area for 47 years. They have two sons, Otto and Ralph and a daughter, Mrs. Ruth Winfield, all residing in the Antioch and southern Wisconsin area. They have 16 grandchildren and three great grandchildren.

Sellout Near For VIP Dance

Ticket sales have nearly reached the maximum limit for the third annual Antioch V.I.P. dinner dance which will honor William E. Brook, president of the State Bank of Antioch.

The event which will be held on Saturday, March 20 at the St. Peter Social Center is sponsored by St. Peter Church as a benefit for St. Peter School.

The bill of fare for the evening will start with cocktails at 6 p.m., a roast round of beef dinner will be served from 7 until 9 p.m.; and dancing to the orchestra of Tony Ritacca and his Golden

Horn will begin at 9 p.m. During the course of the evening a testimonial program will be presented honoring Bill Brook as Antioch's V.I.P. for 1971.

Dr. James Kopriwa and Attorney Ted Larson will serve as masters of ceremonies for the presentation.

Mayor Ray Toft and the Rev. Alfred Henderson will also participate in the program.

Co-chairmen for the event, Dan Dugenske and Peter Houlihan stated: "The response from the community for this year's V.I.P. (Continued on page three)

Illinois To Provide 1,531 MD's

Dean S. Sweet, State Director of Selective Service in Illinois, announced today that the Department of Defense has requested Selective Service to furnish the Armed Forces with 1531 Doctors of Medicine, 77 Doctors of Osteopathy and 536 Dentists.

He stated that the Illinois share of this call is for 105 Doctors of Medicine, three Doctors of Osteopathy and 29 Dentists.

Specialists ordered on this call will be ordered to report starting on 1 July 1971. All specialists will be offered a commission and if the commission is accepted they will not be required to report for induction.

Mr. Sweet further said that specialists selected for this call will be selected by their random sequence numbers if under age 26. If a call cannot be filled with specialists under age 26, the remainder of the call will be filled by selecting those 26 years of age and over with the youngest called first.

Gift Certificate Presented Family By Antioch Club

A \$100 food certificate has been presented to the Robert Smith family whose home was destroyed last year in a fire.

The money was raised by the Antioch Rotary Club in a recent wild game dinner held last month. The certificate was presented by Al Schroeder, president of the Antioch Rotary Club.

Census Office To Interview Families

A sample of residents in this area will be included in a nationwide survey of employment and unemployment to be conducted the week of March 15 by the Bureau of the Census, U. S. Department of Commerce, it was announced by Curtis T. Hill, Director of the Bureau's regional office in Chicago.

The survey is conducted monthly for the U.S. Department of Labor. Results are used to calculate the number of persons who have jobs, the number looking for work, and the monthly percentage of unemployment, an important measure of the Nation's economic well-being.

In addition to questions on work experience, this March survey will have questions on income, labor union membership, family composition, ethnic origin, any change of residence the past year, and date of first marriage, if married.

The information is used for statistical purposes only, and facts about each family are kept completely confidential.

High School PTA Plans Bake Sale

The Antioch High School PTA is working hard to have a successful and profitable scholarship fund bake sale on Mar. 13, at the First National Bank from 9 a.m. to 3 p.m.

The parents of the sophomore, junior and senior students are promising Easter lambs, St. Patrick cup cakes and even Grandma's bread will be on sale.

Preston J. Reckers, Chairman for Antioch Township, American Red Cross Fund campaign, and E. J. Dollard, Red Cross Administrator, Lake County Region, are shown reading the Presidential Proclamation designating March as Red Cross Month. Shown in the background is a Red Cross Disaster Service Truck, an emergency vehicle used by the Red Cross in their many acts of mercy. The trucks which are manned by volunteer drivers, are often used as a field operations office in radio contact with Red Cross headquarters. They are also used to transport cots, blankets and other relief supplies to a disaster scene.

Solar Survives Automobile Crash

Charles Solar, 26, of RFD 2, Antioch, son of Dr. and Mrs. Charles M. Solar, was injured late last Friday night when his car left the road and crashed into a tree on Rte. 83, south of the Soo Line viaduct in Lake Villa.

Solar was taken to St. Therese Hospital where he is confined in the intensive care ward.

Traveling south in Rte. 83, Solar was alone in his car when

it veered off the road on the east side, glancing off one tree and hitting another behind it.

The auto which came to rest facing north was demolished on the driver's side and bent in a U-shape.

The accident occurred shortly after a light snow had begun to fall, and the road became icy.

Police have not been able to determine the cause of the accident.

Grass Lake School Holds Science Fair

Grass Lake School staged its annual science fair, with seventh and eighth grade students taking part.

Thirty-nine projects, representing areas of physical and earth science, chemistry, electronics and anatomy, were presented.

The program was organized by Earl Brumbaugh, who teaches the seventh and eighth grades.

The Grass Lake Science Fair was the beginning of the I.A.J.S. program climaxed by the state competition held at the University of Illinois Champaign campus in the spring.

Judging at the fair was based on knowledge gained, scientific

approach, research thoroughness, individual work and initiative or creativity.

First place winners were Jim Okrzesik, Patricia Mizar, Kim Case, Gary Gardien, Ray Jasinevicius, Penny Babe, Barbara Leider, and Tim Nolan.

Joint first place winners were Julie Kiemle and Melonnie Smith, Tina Spurlock and Barbara Bailey, Dave Kelly and Gail Kelly.

Second place winners were Kim Bye and Sandy Kiemle and Sherry Buscher and Lori Haling.

Third place winners were: Linda Young, Kurt Flint and Greg Opatz.

Joint third place winners were: Grant Blaney and Oren Novak; Ken Bloom and Jim Madden; Sam Busch and Darrel Quirk; Ray Morrison and Glen Larson.

Safety Tips For Baby-sitters

The art of baby-sitting requires not only an interest in children and a firm resolve to do the job well, but also a knowledge and understanding of safety rules designed to protect both sitters and their charges.

Here are some tips:

—Your parents should know your employers.

—Before the child's parents leave, ask where they can be reached and when they expect to return. Get a list of emergency telephone numbers.

—Ask how the stove works, what foods to serve, what play areas to use, and where first aid supplies are kept.

After parents leave, lock all outside doors. Never open them to anyone unless you are absolutely sure it is all right.

—Keep children, especially toddlers, in sight as they play. Never leave an infant alone with a bottle or a child unattended in his bath - even for a minute.

—Keep a sharp eye out for matches or sharp objects, and toys strewn around or on stairs.

—Call a doctor, ambulance or police if a child is injured seriously. Never treat anything other than a minor injury yourself.

—If you smell smoke or discover a fire, get the children out of the house immediately. Call fire department from a neighbor's phone.

—When parents get back, insist that you be escorted home if it is after dark. If you feel that your employer is unfit to drive, ask for taxi fare or call your own parents to pick you up.

Help Them Get Started

The "ruptured duck" was sported by veterans of World War II as a badge of honor. A job was waiting for most returnees—and many states offered a bonus as well. And there was the G.I. Bill. Society it seemed, couldn't do enough for them.

Now, thousands of veterans are coming home from Vietnam. The Labor Department has just established the Jobs for Veterans Advisory Committee, but evidence of local concern is also needed.

Some of the returnees may complete their education. Great! Others may return to jobs they left when they entered the service. That's fine too.

But many are coming home at loose ends. We can form committees at the drop of a hat to "bring the boys back home." But what are we going to do when they get there? Let's show this same kind of concern and help reestablish them as full and productive members of our civilian society.

Spending Doubles In Ten Years

As Americans contemplate the new blue and white income tax forms, they might give a thought to where their money goes.

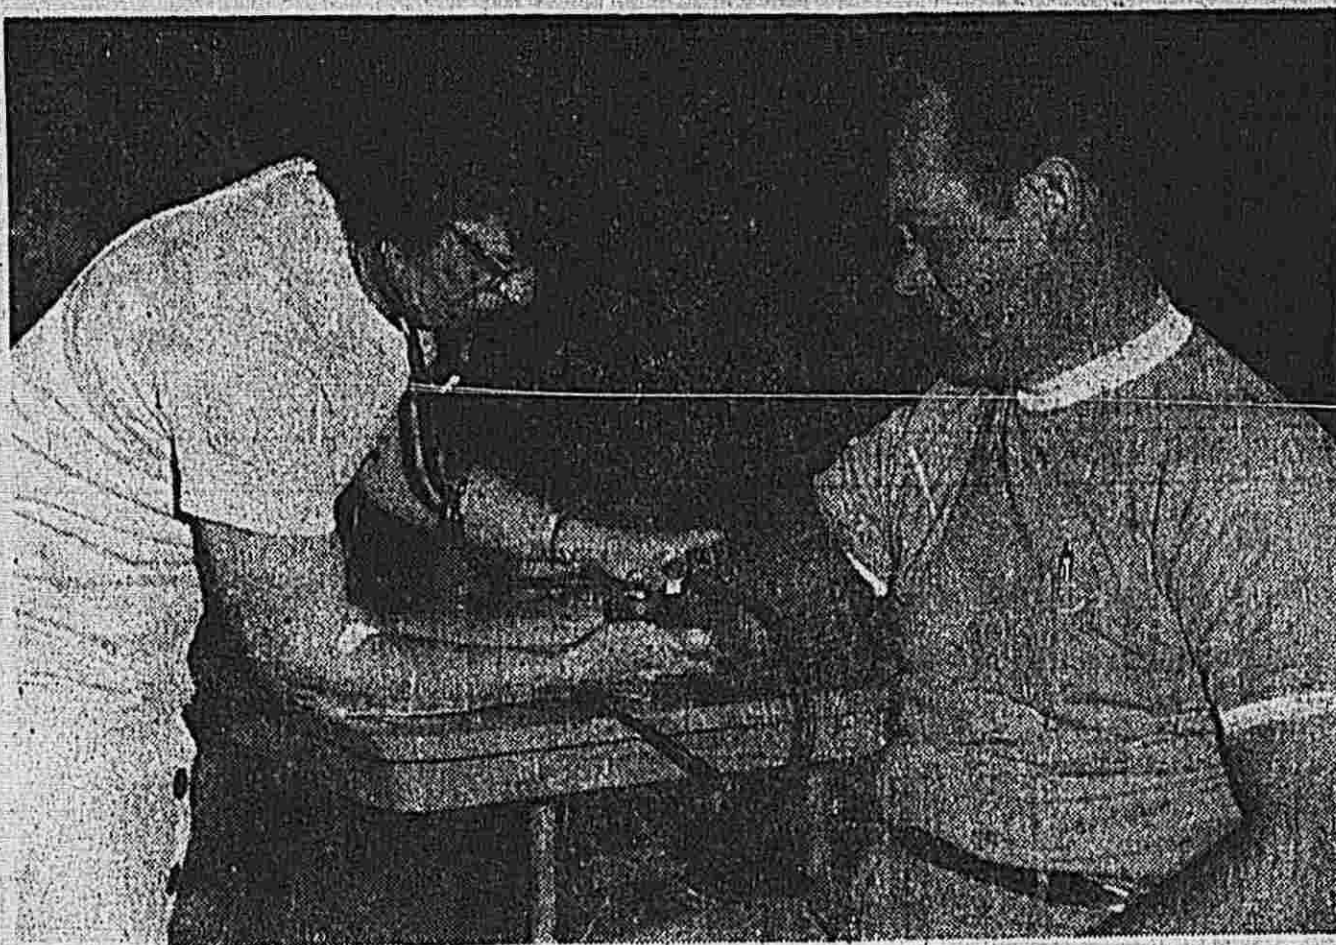

About 40 per cent of total Federal revenue of more than \$200 billion goes for defense. This percentage has dropped in recent years as Congress has cut defense expenditures.

Other spending, however, is growing enormously—almost getting out of hand. The total non-defense spending in 1970 was \$119 billion, or \$587 for every man, woman, and child. This compares with "only" \$48 billion in 1960 and \$26 billion in 1950.

This sort of spending explosion is the key reason for high taxes and inflation. Just to pick one example, the cost of food stamps has grown from an original appropriation of \$115 million the first year of the program in 1967 to \$610 million in 1970 and a projected \$1.42 billion next year.

Thus, a relatively modest appropriation for a new program the first year has grown like morning glories in July.

Let's hope the new Congress will realize that many of this country's needs can best be met by strengthening the ability of state and local governments to cope with their own problems.

Mrs. Helen Foxvog, of Round Lake, a nurse in Condell Hospital, Libertyville, checks blood pressure of Frederick W. Popp of Lake Villa. This was a test run for Spare Your Heart Sunday scheduled March 28 in 17 centers throughout Lake County by the Heart Association of Lake County. Fee is \$2 for the check.

Clavey Can't Appoint New Deputy Sheriffs

Attorney General William J. Scott said today that newly-elected sheriffs cannot appoint their own deputies in counties which have adopted merit systems for deputy sheriffs. Lake County has a merit system arrangement.

The opinion was requested by State's Attorney Richard A. Hollis of Sangamon County, which is one of the downstate counties which have adopted the merit system to govern the appointment, promotion, discipline, and discharge of deputies.

New sheriffs were elected in all Illinois counties last November 3.

Scott cited court precedents and answered in the affirmative when Hollis asked whether the Sangamon County merit system for deputies, which was adopted last June 23 by the Board of Supervisors, is binding on the newly-elected sheriff.

The Attorney General's answer was in the negative when asked whether the sheriff could appoint his own deputies without regard to the merit system.

A member of the County Board of Supervisors cannot also serve as a field man for the Supervisor of Assessments, Scott said in an opinion given State's Attorney Philip Turner II of Shelby County. The Attorney General said the two offices are incompatible.

After that, Lieutenant Governors will be executive officers, without any duties connected with the state senate.

In a second opinion dealing with the Constitution of 1970, Scott said that it permits counties to either elect or appoint a coroner, without waiting for the legislature to pass an enabling law.

State's Attorney Robert A. Downs of Fulton County asked Scott whether the legislature must first act before a county may change the status of the coroner, an office now filled by election.

"Each county may elect or appoint a coroner pursuant to any legislation enacted by the General Assembly," the Attorney General said. "Furthermore, the office of coroner may be eliminated or the term of office and manner of selection of the coroner may be changed by a county-wide referendum. In the absence of any legislation or county-wide referendum to the contrary, the office or coroner would remain an elected office."

Downs commented that Fulton County probably will prefer to continue the coroner but said the Board of Supervisors has asked him whether implementing legislation would be necessary before action could be taken.

Southern Illinois University's Cooperative Wildlife Research Laboratory has received a grant from the Tennessee Valley Authority to study the habits of a fallow deer herd in Kentucky.

Commission Offers Auto Skidding Tips

Here's a skid tip from the Lake County Safety Commission: If you start to skid, immediately turn the wheel in the direction the rear end is sliding. Don't oversteer. The instant you feel the car coming out of it, straighten the wheels.

Here's another tip on temperature traps. Ice is twice as slippery at 30 degrees as it is at zero, so wet ice in sunny areas is more dangerous. Due to difference in temperature, too, ice lasts longer on bridges and in shady spots.

Don't swerve or brake when you hit an unexpected patch of ice—let the car roll through. Once you're on your way, remember—snow and ice makes steering touchy.

Keep both hands on the wheel and both eyes on the road. To get going on ice and snow, you need two things—traction and the know-how to get the most pull out of what you have.

The commission recommends the feather touch. Use the gas

pedal gently—very gently. Start in drive or second gear with a manual transmission. Spinning the wheels only makes things slicker, digs you in deeper.

Here's a traction trick from the Safety Commission: Sand, a metal mat or a piece of carpeting under the rear wheels (both unless you have a locking differential) can help. But letting air out of tires does no good, increases wear. An extra weight in the trunk gains little, risks a lot in more chance of side skids.

Rock or roll is the big theme in winter driving. We suggest that you read your Owner's Manual for advice on rocking your car—shifting to forward and reverse—to get out of snow.

Transmission shops have a lot of work after a heavy snow.

A full scale mock-up of a British-designed Handley Page Jetstream plane has been acquired by Southern Illinois University, Carbondale, for its aviation technology program.

20,000 Expected...

(Continued from page one) has been conducted in the state. "Hopefully, this type of program will spread to other areas," said Dr. Weis.

The \$2 fee and the 10 to 15 minutes it takes for the screening is so minimal, Dr. Weis said, "That I can't see why everyone in the community would hesitate to come."

Theroux Wins Navy Citation

Navy Fireman Lawrence E. Theroux Jr., husband of the former Miss Mary J. Schmidt of Route 4, Antioch, was awarded the Meritorious Unit Commendation Ribbon while serving aboard the attack aircraft carrier USS Independence at Norfolk, Va. He received the ribbon for his services aboard the carrier during the September 1970 Jordanian Crisis.

JUNIORS— Joanne Apostol, Vera Bacwyn, Robert Becvar, Sherree Block, Fred Bobzien, C. Chase, Kenneth Coarl, John Cola, John Cook, Cheri Dalgard, Susan Dobszaf, David Donica, Dianna Dyer, Dave Fettinger, Diane Fischer, Jean Flanagan, Pamela Hunley, Karin Johnson, K. Kaminski, Karen Kane, Linda Kanka, K. Koziel, Jeff Lahti.

Paul Lemcke, Barbara Mason, D. McDowell, Carol Orbank, Doug Palaske, Raymond Parpan, Martin Phillippi, Marianne Pleviak, S. Rajkovich, Wendy Rowley, Roger Sankey, Diane Schneider, Kathy Skrzynecki, Trudy Soland,

Richard Steidl, Kenneth Sterbenz, Terry Tobias, Jeff Tossey, K. Walpole, William Weber, Greg Wisinski.

SOPHOMORES— Toni Bechtol, Jonathan Bliss, Alice Burnette, Dave Clemons, Linda Corey, Ralph Dowell, Diane Dusek, Robin Ellis, Taffy Engelhardt, Karen Frad, Deanna Hack, Richard Klean, Marcia Kroepfle, Robin Lindblad, Randy Lipman.

Robert Mahoney, Mark Maras, Julie Mirocko, Yvonne Mirocko, Edwina Nauer, Cheryl Norwood, Mary Parpan, Julie Quinn, Pamela Rausch, Thomas Ruhl, Kerry Shute, Greg Silianoff, T. Slovensky, Sandi Stewart, T. Stroschein, Dawn Woods.

FRESHMEN— Penny Anderson, Mary Barr, Mike Becvar, David Breseman, Catherine Chase, Anita Cooper, Mark Denman, Mark DiSilvestro, Cheri Fankhauser, Steve Fettinger, Sharon Hall, Karene Hart, Virginia Harvey, John Karczewski, Laura Kessler, Janet Kroepfle, James Lamkin.

Cindy Meierdick, Doris Meuter, Gail Olson, Vicki Plotz, Thomas Poirnick, Richelle Radke, Randall Roberts, John Ronan, John Rooker, Wayne Rudis, Nancy Schaeffer, James Scribner, Mark Slovensky, Stephen Steidl, Lynne Sterbenz, Sheryl Tell, Norman Thibedeau, Janet Whitlock.

ANTIOCH COMMUNITY HIGH SCHOOL HONOR ROLL

THIRD SIX WEEKS — 1970-71

To make the High Honor Roll, a student must have 18 grade points and no grade lower than a "B". An asterisk (*) will identify those students who earned a straight "A".

SENIORS—

Carol Boreen, Gary Burnette, *Bruce Carlson, Kathleen Chase, Rick Dilabio, Steven Dziki, Dawn Ellis, Ann Fettinger, Sarah Halverson, Dean Homan, *Eve January, Patricia LaParr.

Janet Lemcke, James Moore, Heather Petty, Janet Polsgrove, Kenneth Prible, Janice Radke, Margaret Saran, Susan Severson, H. S. HONOR ROLL— GAL. 3— Terry Stewart, Ronald Turzy, Larry Vendl, Diane Vos, *Elaime Wells, Kathleen Wurster.

JUNIORS— Paula Albergo, *Krista Barlow, Deborah Bishoff, Cheryl Golonka, *Jennifer Hotchkiss, Donna Kessler, Paul Lemcke, *Patricia Mohar.

Cathleen Moore, Gail Mucibach, Barbara Polsgrove, *Sharon Prange, R. Proctor, Joanne Robis, Gary Rush, Barbara Sander, Barbara Schneider, Diane Silianoff, Judith Sokup, Cary Vistain, Richard Weiss, Linda Withner.

SOPHOMORES— Glen Amundsen, Doug Banwart, Joan Bjork, *Joan Boreen, Kenneth Boucos, Bill Burdell, Steven Carlson, J. Christensen, James Fischer, Pat Geiger, Diane Gramer, Joseph Green, *Cynthia Hayden, James Heidner, Glenda Hurt, *Linda Lagerstrom.

*Mark Mason, *Tim Meure, Warren Mohar, *Kirk Moran, Nora Pleviak, Fred Popp, Yvonne Ray, Pat Runyard, Cynthia Skrzynecki, *John Snow, G. Soland, *Tracy Teltz, *John Thain, *Greg Tossey, Ron Tumlinello, Dean Vendl, *Carol Wells, Constance Wiczorek, Cathy Wysoglad.

FRESHMEN— James Anderson, Bradley Banwart, Janet Barnes, *William Beese, *Mary Blue, Francis Collette, Mark Crawford, *Barbara Dodd, Marcia Doolittle, Lois Geist, Kevin LaChance, Nancy LaChance, *Timothy O'Neill, Mary Palaske, *Debra Payne, Denise Plouviez, *Sue

Veterans News

Veterans and their dependents are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—What action should I take to get the increase that Congress recently voted for pension payments?

A—You need take no action. Any increase in pension because of legislation will be made automatically by the VA computer system.

Q—I have been attending school at night and working during the day. I received one-half time educational assistance allowance from the VA. I now wish to attend the same school full time, and study the same subjects. What notice must I give the VA?

A—Visit the registrar's office and have them notify the VA that you have become a full-time student. With no further action on your part, your educational assistance allowance will be increased to the full-time rate.

Q—As a nonveteran, may I buy a GI home which has been repossessed and offered for sale?

A—Yes. The Veterans Administration sells these properties to anyone who can qualify as to income and credit. VA has a substantial number of homes which have been foreclosed following non-payment of the loan by a GI purchaser. See your real estate broker, since most brokers cooperate with the VA, to find out if any of these homes are in the area where you may want to buy.

Q—I have a service-connected disability which required continuous treatment. Since I plan to travel abroad this summer, what arrangements should I make regarding medication and treatment?

Contact the VA clinic now treating you to obtain appropriate supplies of your prescribed medication to carry with you, and ask for suggestions about obtaining medical supplies and services abroad. In case of a medical emergency, contact the American Embassy or Consular office.

Q—How long will a veteran who was retired Nov. 1, 1971 for total disability be covered by his Servicemen's Group Life Insurance?

A—Coverage under SGLI will continue while he is totally disabled, but not beyond one year. Within the year, he may convert his SGLI (maximum \$15,000) to an individual policy at standard rates with any company participating in the SGLI program. Also, within a year of notice of his service-connected disability, he may apply for a \$10,000 low cost RH policy from VA.

Q—My husband died in service in 1946. Am I still eligible for his home loan benefit?

A—Yes. Under recently passed legislation, unused, expired loan benefits were restored for World War II and Korean Conflict veterans and eligible, unmarried widows of these veterans.

Q—I am a veteran of World War II, and I am 85 years old. Am I eligible for pension benefits?

A—Yes, if you are single, and your income from all sources is below \$2,300. If you have dependents the income limitation is \$3,500. Your net worth is also

a factor. You should contact VA for an application so your eligibility can be determined.

Q—I was discharged from service in January 1964. Am I still eligible for educational benefits?

A—Yes. Veterans released from active duty between Jan. 31, 1955, and June 1, 1966 have eligibility for eight years, or until May 31, 1974. Eligibility of Vietnam era veterans extends eight years from the date of their release from active duty.

Utility Official Offers Tips On Flying Your Kite

With the Chicago area, still in the grip of winter, it may seem that warm weather will never come. But would you believe that spring is officially less than three weeks off?

According to John Hughes, manager of Commonwealth Edison Company's Waukegan district, the coming of spring also signals the start of the kite flying season. Hughes advises parents to pass along a few safety tips to their children now before March winds set kids and kites in motion. Among the common sense kiting rules are these:

1. Fly kites in unobstructed areas where traffic is minimal and trees, television aerials and utility lines can be avoided.
2. Don't put yourself out on a limb by trying to retrieve a tangled kite. If your kite becomes snagged and you can't tug it free, leave it for the birds rather than risk injury by climbing where you don't belong.
3. Use only ordinary kite string—don't substitute wire or metallic cord. These materials conduct electricity and could cause serious injury if they come in contact with electricity.
4. Never fly kites during storms or when the string may get wet. A wet string may conduct electricity downward to the kite flyer.

Finally Hughes offers this word of advice to parents: . . . don't lose your cool when a stubborn kid refuses to stay up. The only thing that rises under stress is your blood pressure.

The younger generation will soon find out that the Man from UNCLE is the tax collector.

Sellout Near For...

(Continued from page one)

dinner dance has been tremendous.

"Ticket sales have been very substantial. Cut-off date has been established as March 16.

"We had decided at the onset of our planning to limit the sales of tickets to 500 in order to assure that everyone in attendance will be able to fully enjoy the evening, the chairman said. "Even though we have already sold well over 300 tickets we must stick to our plan of a first come first served basis for tickets and stop the sale when we reach our maximum," they added.

"The cut-off could quite possibly occur ahead of March 16th. People who wish to attend should purchase their tickets as soon as possible."

"Tickets will not be available at the door."

College Will Host...

(Continued from page one)

lege of Lake County."

Topics included in the program—which will run from 8:30 a.m. to 3 p.m.—covers Magnetic Card Demonstration, Composer Demonstration, Introduction to Word Processing and Computer Input/Direct Entry. Time has also been allocated for special meetings of persons interested in the Secretarial, Accounting or Mid-management programs, and for a discussion of post-secondary/business education opportunities at CLC.

DeBates indicated that Lake County teachers who are interested in attending the workshop or desire additional information on any aspect of the business curriculum are encouraged to contact him by calling the college at 223-8193, extension 66.

McMahon Named McMurray Paper Editor

Don J. McMahon, son of Mrs. Carol McMahon of Antioch, has been elected editor of "Charybdis," the student newspaper at McMurray College in Jacksonville.

McMahon is a 1968 graduate of Antioch High School, where he was active in the student council, and the student newspaper and literary magazine.

He is presently a junior majoring in Psychology at McMurray. He has been assistant editor of "Charybdis" and secretary-treasurer of his residence hall.

Significant events in Illinois History will be recreated on the screen in a colorful slide presentation at the March 18 meeting of the Rotary Club of Antioch. Narrator for "Illinois Heritage" will be Ted Flanagan of Lindenhurst, a member of Illinois Bell Telephone's Volunteer Speakers Bureau. He is a sales manager at the company's Chicago marketing office.

Scouts To Hold First Aid Meet

The Boy Scouts of America will hold its annual First Aid Meet for the Northwest District on March 20 at Libertyville's Highland Junior School. The announcement was made by Mr. Charles Montgomery, Health and Safety Chairman for the Northwest District.

The Meet is expected to attract more than 250 boys, representing more than 25 troops from all corners of the District.

Communities involved in addition to Libertyville are Mundelein, Wauconda, Fox Lake, Round Lake area, Ingleside, Antioch, Lindenhurst, Lake Villa, Long Grove, Buffalo Grove, Indian Hills, Vernon Township, Venetian Village, Grayslake, Island Lake, and Grass Lake.

The various troops prepare for the First Aid Meets by intensive training and run-off competition within their own troops. "For the Meet itself the contesting troops are broken down into patrols and given problems involving various types of injuries to test their knowledge and skill in rendering first aid to the vic-

Immunization...

(Continued from page one)

heart problems.

August Cepon, chairman of the Lake County Board of Supervisors, has this message for all Antioch parents:

"If you have children between the ages of one year and fourth grade, we urge you to make certain that they get the Rubella vaccination."

"We have an obligation to insure a healthy start in life to future generations. You can do your part by getting your child vaccinated against German measles."

"I encourage all parents to sign the consent forms your children bring home from school and I also ask you to take your preschoolers to community sites or schools which provide the vaccine for this age group."

"Your cooperation is desperately needed if we are to prevent the tragedies which Rubella can inflict upon our newborns."

Soundless shots fired from harmless guns will be used in the immunization program.

Who should not have Rubella immunization:

Children under the care of a doctor for a severe disease.

Children who have a temperature (fever) on the day of the clinic.

Children who are allergic to neomycin.

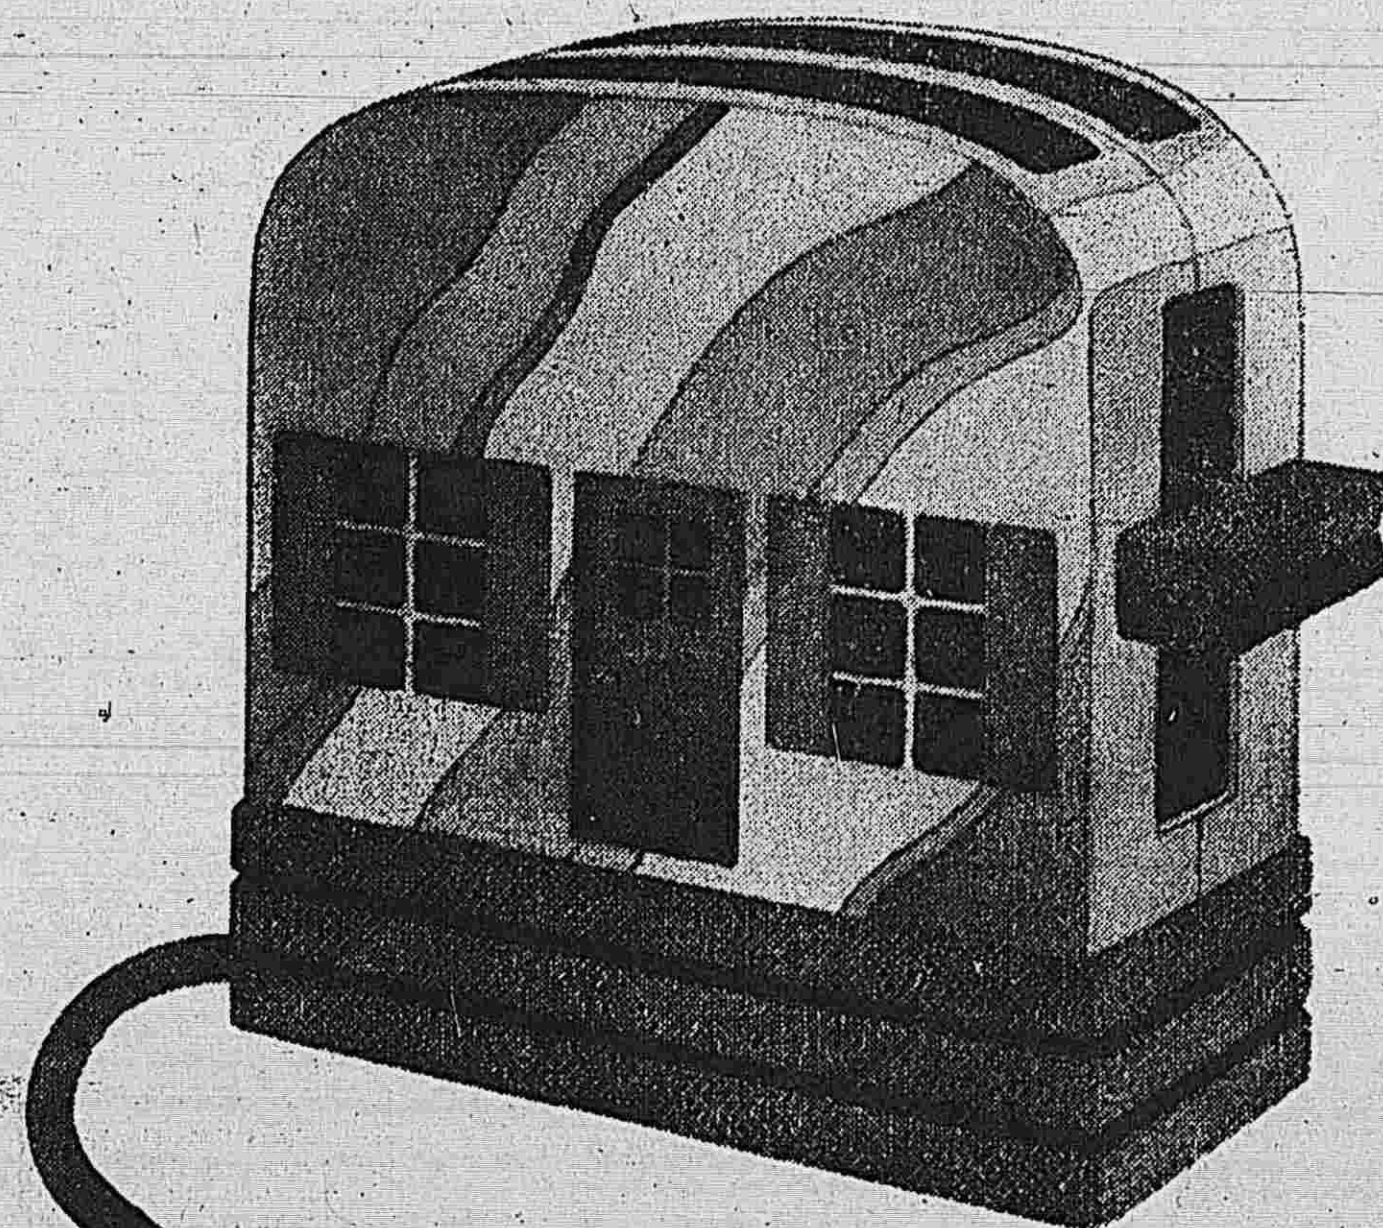

Children who are allergic to rabbit.

The immunization will be offered at Antioch School, 817 N. Main St.; 9:30 to 10:40; Emmons School, Rte. 59, 1 to 1:30 p.m.; Grass Lake School, 8:45 a.m. to 9:20; Oakland School, Deep Lake Road and Loon Lake Road, 1:40 to 2:50 p.m., and St. Peter's School, 900 St. Peter St., 8:35 to 9:20 a.m.

"The patrols are then timed and judged on the correctness of the method used to solve the problem." The Northwest District, which is part of the Northeast Illinois Council, formerly the Evanston North Shore Area Council, serves about 3,000 boys in 71 units all over Lake County. The Council is headquartered in Glencoe.

Veterans who plan to begin GI Bill enrollment in high school or college should contact their nearest VA office immediately for assistance.

Electrically heated homes are popping up everywhere.

Everywhere you look these days, more people are installing electric heating systems. In Northern Illinois, a new electrically heated home or apartment is completed every 36 minutes.

Why? Economy, ease of maintenance, cleanliness: these are some of the reasons. To learn the rest, call your nearest Commonwealth Edison office. Better yet: pop in.

901 Main St. Antioch

W.O.T.M.

The Chapter night meeting was called to order by Senior Regent Erna Toft. The Guides then escorted the Moosehaven Chairman Dorothy Tralewski to the altar where she introduced the members of her committee. Those present were: Bernice Rosquist, Marie Biehl, Elsie Toman, Catherine Kloth, Gladys Schroeder, Jerri Polson, Pearl Anderson, Emily Novotny, and Lolly Maloney.

The Chapter guest for the evening was Mr. John Horan, a representative of the American Association of Retired Persons (AARP). He explained how this organization was started in 1958 to serve all older persons, and to help them meet all their problems. All mature people over the age of 55, whether retired or not, are eligible to join. They have their own publications, low-cost travel programs, health and life insurance plans, mail order drug buying service, and nursing home programs. The local Chapter holds their meetings on Tuesdays at the Savings and Loan building, where they plan all their activities.

The Chapter then proceeded with the enrollment of new candidates. The regular members were: Fay Dultz, sponsored by Irene Clark; Evelyn V. Miller, sponsored by Erna Toft; Evelyn Kresanek, sponsored by Alice Young; Virginia Gulbrandsen, sponsored by Gerry Schumann; Ann Barone and Ann Gialds, sponsored by Jane Kish. Home Chapter members are Irene Lehmann, sponsored by Dorothy Tralewski; Clara Haling sponsored by Catherine Kloth; Jean Wilson and June Matthews, sponsored by Marjorie Hartman.

A Chapter pin was awarded to Mary Roemer for attending three consecutive meetings.

After the meeting the Hospital Committee held a Mystery Cake Walk, and Harriet Grewe held her raffle for the College of Regents.

The Moosehaven Committee will hold a St. Patrick's Day Dance on March 13 at the Moose Lodge, and the next Chapter meeting will be on March 18.

Speaking of a self-styled "people's friend" the lady of this house remarked, "He's got a great big credibility gap, and it's right below his nose."

Thurs., March 11, 1971 THE ANTIOCH NEWS—4

American Legion Auxiliary News

By Del Jahneke

Mrs. Joseph Hogue, Waukegan No. 281; District Vice President; Mrs. Edwin Bratke, Gurnee, Dist. Americanism chairman; Mrs. Logan Kennedy, Baxter, Evans Unit, Dist. Civil Defense chairman; Mrs. Thomas Rizzo, Lake Zurich, Dist. National Security chairman; and Mrs. Ray Rathmann, Antioch, 2nd Division treasurer, will head a delegation of some 100 members of the 10th District American Legion Auxiliary to the 43rd annual State Patriotic Conference of the Illinois Auxiliary, to be held on March 31, at the Sherman Hotel in Chicago, starting at 9 a.m. Mrs. Bernard Schmidt of Moline, Department President, will preside at the day long session. A state-wide meeting, the Conference is usually attended by approximately 900 members.

Among the featured speakers will be Rev. Charles H. Willey, Pastor of the First Christian Church of Moline, well known for his ability to relate Americanism in action.

Since Americanism, Civil Defense and Emergency Planning, and National Security are the programs stressed at the Conference, all chairmen of these three

There will be an initiation of new members on March 14, at the Antioch Moose Lodge. The ceremony will start at 2 o'clock. The Antioch Moose ritual team will perform the ritual ceremony.

The next Third District meeting will be held at the Barrington Moose Home, on Saturday evening, March 13, starting at 8 p.m. All Moose members are eligible to attend.

The Winner Legion No. 74 Legion of The Moose Ceremonial will be on Sunday, March 21, at the Waukegan Moose Home. Memorial services at 1:30 p.m. followed by the enrollment of candidates at 2 p.m.

Dinner will be served, family style at 5:30 p.m. Ladies are invited.

Antioch Major At Air Force Staff College

U. S. Air Force Major Robert F. Lopina, son of Konrad S. Lopina of Rte. 3, Antioch, Ill., is attending the Armed Forces Staff College at Norfolk, Va.

The five-month Department of Defense school is operated under the direct supervision of the Joint Chiefs of Staff and prepares students for positions in joint and combined commands that involve more than one country or military service.

The major, a 1953 graduate of Miles Township High School, Skokie, received his B.S. degree in mechanical engineering from Purdue University in 1957.

He was named a distinguished military graduate and commissioned there through the Air Force Reserve Officers Training Corps program.

The Tau Kappa Epsilon member earned a Ph.D. degree at the Massachusetts Institute of Technology in 1967.

College Wives To Host Fashion Show March 16

College of Lake County Faculty Women and Wives will present a spring fashion show Tuesday evening, March 16, at the First Lake County Bank of Libertyville.

Fashions, ranging from children to teens and adults, will be presented by the Fashion Corner in Lake Zurich. Models will be Mrs. William Ballock, Mrs. R. Ernest Dear, Mrs. Gene Hanson, Mrs. Frank Harnish, Mrs. S. Robert Hoekstra, and Mrs. Ronald Schoneberg.

Children who will be modeling are Elizabeth Bloyer, Terri Garner, Missy Hanson, Jill Mathwig, Todd Shelton, Stacy Sherman, Roger Smith, and Nancy Smith. Mrs. Douglas Sherman is chairman and narrator. Mrs. Fred Patterson is in charge of refreshments.

The fashion show will begin at 7:30 p.m. All CLC faculty women and wives and their guests are invited to attend.

programs are asked to be present.

Mrs. Murphy Martin, president of the non-profit, non-partisan organization formed by H. Ross Perot of Texas, in an effort to bring about the release of American prisoners of war being held by the North Vietnamese, will cover the national security phase. Mr. Martin coordinated both the trip to southeast Asia when Mr. Perot tried to deliver a plane load of Christmas gifts and food to the men being held prisoner, and the more recent trip, when 89 world famous newsmen were taken to inspect prison camps in South Vietnam.

Richard Priggle, winner of the 1970 American Legion Oratorical Contest, will deliver his oration on the subject of the U. S. Constitution. Richard, whose home is in Western Springs, is a student at Augustana College in Rock Island, Illinois.

The civil defense portion will be covered by an appropriate film on this important subject with a representative of Region IV, Civil Defense Office in Battle Creek, Michigan, as narrator.

Mrs. L. Kennedy, in her capacity as district civil defense chairman, points out that civil defense has proven its value during many disasters on the home-front such as the recent Crescent City explosion, and in natural disasters, such as tornadoes, cyclones, flooding of rivers, etc. Civil defense attempts to preserve American lives and our institutions if an enemy should attack, either from within or without. Civil defense programs must have leadership, planning, training, but above all, the active participation of all Americans.

In spite of the best preparations of this nuclear age, there is still the possibility of nuclear attack. The three major dangers of nuclear attack are blast, heat and radioactive fallout. The blast and heat could cause tremendous destruction, but the radioactive fallout is the most dangerous.

"If at all possible, we should take a first aid course, learn how to do mass feeding for an emergency, know the communications system of civil defense, study the home nursing care program and learn the shelter care program of your community," concludes Mrs. Kennedy.

There will be a banquet luncheon at noon, with entertainment afterwards, before the afternoon session of the Conference. Many distinguished guests will be present. Mrs. J. H. Martin of Chicago, 1st Division President, is general chairman of this event.

Representing the Antioch American Legion Auxiliary No. 748 at this Patriotic Conference will be Mrs. John W. Horan, President; Mrs. John L. Horan, the Americanism chairman; Mrs. Walter Hills, Civil Defense chairman; and Mrs. Samuel Pettigrew, National Security chairman.

4-H Group Goes Roller Skating

Squirt Suzies held their March business meeting at St. Peter's gym.

The hostesses were Debbie Broecker and Wanda Springer who arranged a night of roller skating for the 4-H members.

The members also were informed about their electricity activity, when Susan Hevrdejs gave a talk on "Laundering the Clothes We Wear."

Mrs. Miller, a crocheting leader, discussed crocheting sessions with the girls.

Indoor Gardening, Mosaics and Table Covers were also discussed by Junior Leaders.

Sgt. Doran On Duty At Little Rock Air Base

U.S. Air Force Sergeant Terrence P. Doran, son of Mr. and Mrs. J. L. Boehm of 3803 W. Kane Ave., McHenry, Ill., has arrived for duty at Little Rock AFB, Ark. Sergeant Doran, an aircraft maintenance specialist, is assigned to a unit of the Tactical Air Command. He previously served at Clark AB, Philippines.

The sergeant is a 1968 graduate of Marian Central Catholic High School, Woodstock, Ill. His wife, Sharon, is the daughter of Mr. and Mrs. W. B. Ames of 508 Bayshore Road, Lake Villa, Ill.

VA has selected hearing aids for purchase during contract year 1971 for issue to 7,000 veterans.

Antioch Coin Club Will Meet Monday

Antioch Coin Club will meet at the Antioch Savings & Loan Association community room at 7:30 p.m., March 15.

Program for the evening will be a one-half hour long tape recording on a detailed comprehensive biography of U. S. Coins.

This information is taken from the U. S. Encyclopedia on American Coins.

The club has several major endeavors planned for the remainder of the year in order to increase membership. Juniors are a very important part of numismatics and should be encouraged in this field. Dues are nominal.

This club is the place to meet, sell, swap, and listen to fellow neighbors. Dealers are present, and refreshments are served.

The ideal matrimonial combination is a man who enjoys making money and a wife who enjoys spending it.

Twins Club Will Meet March 18

An interesting program on health foods and nutrition is being given by Mrs. Helen Beck for the Lake County Mothers of Twins club when they meet on Thursday, March 18, at 8 p.m. at the YWCA, 445 N. Genesee, Waukegan.

All mothers of multiple birth children are invited to attend. Hostesses for the evening will be Mrs. Len Dahlbo and Mrs. Gene Hawkins.

HOLLYHOCK DWARF

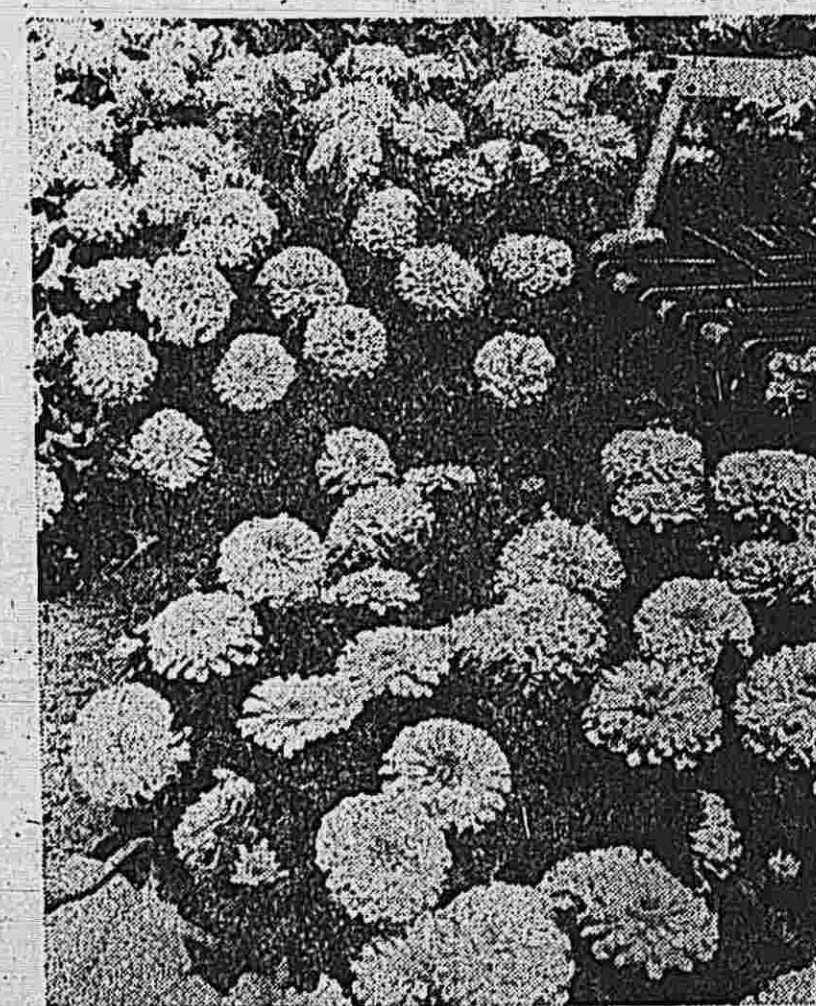

Fluffy, dainty flowers of an odd silvery pink crowd the stems of this new 2-foot-high hollyhock, Silver Puffs. It will bloom the first year from seeds sown early.

A hollyhock that doesn't need staking, whose side branches start to bloom with the central spike, thus making each plant a mass of color, a hollyhock with up to 10 branches from the base of a single plant—all of these desirable characteristics describe a single variety, Silver Puffs.

A bronze medal winner in the 1971 All-America Selections trials, Silver Puffs is the first truly dwarf hollyhock, maturing and blooming when a mere 2 feet high. Plants in a row or group are only a fraction of an inch different in height from one another. And the flower color is a delight—pale pink with a silvery cast that sets it apart.

Blossoms are so double that they resemble fluffy pompoms. Tissue-like petals crowd the 3 1/2 to 4-inch diameter blooms. Because of the habit of branching at the base, each plant looks like a miniature bush, a form which has great advantages when used in the garden. A group of 3 or 5 plants can be placed wherever you want a small bush that blooms in mid- to late summer.

TWIN WINNERS

Two pretty, pert little zinnias, Peter Pan Pink and Peter Pan Plum, are both gold medal winners for 1971. Plant them together in your garden for an outstanding show.

Two little zinnias have broken a record! For the almost 40 years that All-America Selections has operated test gardens in many states and several countries, that judges have observed and scored thousands of entries in the trials, none has received so high a score as Peter Pan Pink and Peter Pan Plum. Both are gold medal winners.

They're dwarf, they're decorative and they're delightful. Except for flower color they are twins—dwarf, bushy, very early to start blooming, free-flowering all summer and "self-cleaning" because the new leaves cover the older flowers.

Petals of flowers of both varieties are slightly curled and the flower forms vary from plant to plant; some are cactus type with pointed petals, some resemble dahlias in their fullness and others have flatish blooms.

Here are two zinnias that will perform well in pots or planters, may be massed in beds or borders or even used as hedges. To see them is to wish you had them in your garden. So order seeds early for the supply of seeds of All-America Selections winners never is enough to go around.

Mrs. Russell Swim

Russell Swim Wed In Rock Island Ceremony

The Rt. Rev. Msgr. T. J. Jordan officiated at St. Pius X Catholic Church, Rock Island for the marriage of Miss Pamela Jean Schneider to Russell W. Swim, son of Mr. and Mrs. Kenneth Swim of Antioch.

A gown of satin ottoman and Venise lace designed with a chapel-length train was worn by the bride. Her veil of illusion was

held by a headpiece of Venise lace and silk organza bows.

The bride is the daughter of Mr. and Mrs. Carol Francis Schneider of Rock Island.

The bridegroom is stationed at Ft. Lee, Va., where he is serving with the Army.

The couple will reside in Petersburg, Va.

Social Notes

By Del Jahneke

Mr. and Mrs. Ronald Larson, rural Antioch, are the proud and happy parents of a bouncing baby boy, born on March 3, at the Highland Park Hospital. Young Scott Ronald weighed in at 7 lbs. 3 ozs. Beaming grandparents are the James-Balsamellos of Beach Grove, and Mr. and Mrs. Harvey Larson of Chicago. Mrs. Larson was an English teacher at the Antioch Community High School for the past few years.

Sincere concern goes to Mrs. Robert Pauletti, Grass Lake Rd., who has flown to Amsterdam, Holland, to be at the bedside of her gravely ill father. We hope she will return with happier news regarding her father's condition.

The senior Ed Jahnekes, Beach Grove, were Sunday dinner guests of the Leon Vandborgs of Channahon, Ill. The occasion was a family farewell party for the Vandborg's daughter, Leona, who will be entering the U. S. Air Force as a WAF in the near future. Mrs. Vandborg is Ed Jahneke's sister.

Girl Scouts of Junior Troop No. 144 will be spending March 12 to

14 weekend camping at Camp Morrison on Deep Lake and Golden Roads, Lake Villa. According to leader Mrs. Richard Ford, approximately 32 girl scouts have signed up for this weekend of "in-door sleeping," but several meals planned to be cooked outdoors, as well as a hike, are on the agenda. Other adults aiding Mrs. Ford are Mr. Ford, Mr. and Mrs. Robert Duha, Mrs. Shirley Kasik, Mrs. Ann Venn and Miss Margaret DeVries.

The Ray Rathmanns, Oakwood Knolls, accompanied by the Herbert McCaskeys of Palatine, attended the Saturday wedding of Wayne Hovland to Joyce Vonk in Park Ridge, and the reception following at the VFW Memorial Home there. The bridegroom is the son of the Elmer Hovlands. Mrs. Hovland and Mrs. Rathmann are long time friends.

PARENTS OF DAUGHTER BORN IN ENGLAND

Mr. and Mrs. William Pratt are the parents of a daughter, Julie Ann, 6 lbs. 12 oz., born in England on Monday, March 8th. Mr. Pratt is with the armed forces, serving in England.

The paternal grandparents are Mr. and Mrs. Edgar R. Pratt of Antioch and Mr. and Mrs. Wickling of England.

CHRISTIAN SCIENCE CHURCHES

The spiritual nature of each individual's genuine worth will be emphasized at Christian Science church services Sunday.

One of the Scriptural selections in the Lesson-Sermon on "Substance" is from James: "If ye fulfill the royal law according to the scripture, Thou shalt love thy neighbor as thyself, ye do well."

Supporting commentary from "Science and Health with Key to the Scriptures" by Mary Baker Eddy includes this citation:

"Take away wealth, fame, and social organizations, which weigh not one jot in the balance of God, and we get clearer views of Principle. Break up cliques, level wealth with honesty, let worth be judged according to wisdom, and we get better views of humanity."

All are invited to visit First Church of Christ, Scientist, at BEACON HILL, Rte. 173 and Harden, Antioch. Services begin at 11 a.m.

Style Show Aids Antioch Mental Health Assn.

The Antioch Mental Health Association was enriched by \$200 raised in a spring fashion show held a week ago.

Everything from hotpants and bikinis to tailored suits and formal gowns graced the models as they introduced this year's fashions to the large crowd.

"SELF-WILL? NOT ME!"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

Interest Is Growing In Country Art Show

Present indication that Lake County's increasingly popular Town and Country Art Show will hit a new high in amateur participation, according to Extension Advisers, Ray T. Nicholas and Helen Volk, Lake County Cooperative Extension Service, University of Illinois.

This thirteenth annual Town and Country Art Show will be held in the Farm Bureau Auditorium on the Lake County Fairgrounds, located on Route 45, one-half mile north of Route 123. Hundreds of amateur artists of all ages including many grade school, high school and college students will be entering their art work on the afternoon and evening of April 5.

All types of art work are acceptable in the show including paintings in any media, carving, ceramics, sculpture, weaving, mosaics, metal enameling, photography, tapestry, welding, creative stitching, and other work of artists, craftsmen and hobbyists.

Entry blanks and rules of the show may be obtained by writing or calling the Lake County Cooperative Extension Service, Lake County Fairgrounds, Box 267, Grayslake, Illinois 60030. Telephone: 223-5844 or 223-4844.

The show will be open to the public free of charge from 1 p.m. to 10 p.m. April 6, and 9 a.m. until 9 p.m., April 7.

Gallery critiques will be presented at 2 p.m. and 7:30 p.m., April 6.

Pest Control by the Homeowner is the subject of a meeting planned for Monday, March 15, according to Lake County Extension Advisers Ray T. Nicholas and Helen Volk. This meeting, which is open to the public will be held in the Cooperative Extension Service Building on the Lake County Fair Grounds starting at 8 p.m.

Local leaders of the Homemakers Units will attend and bring

NI Gas Men Now Have New ID Cards

To prevent unauthorized persons posing as company representatives from entering homes, George Habenicht, Northern Illinois Gas Company's senior vice president, urges customers to ask callers for employee identification cards.

Habenicht said all NI-Gas employees are issued identification cards that display their photos and signatures.

"Just knowing the purpose of a home call is not a safe check," he said. "A NI-Gas representative might call unannounced for one of several reasons—for example, to read or exchange a meter or to repair or renew service. However, if a visitor calls unannounced to check appliances and says he works for NI-Gas, a home-owner should be cautious. Company employees make such calls only on request. Also, a homeowner should not accept the statement that bills are being collected unless he knows his payments have been delinquent."

"The identification card is the best safeguard," he said. "If a caller does not have one or if a customer is unconvinced, he should call the nearest NI-Gas office for verification."

this lesson back to their members at their April unit meetings.

University of Illinois, Pest Control Specialist, Stanley Rachesky, will discuss the latest approved methods for controlling insects and other pests in the home, yard, garden and lawn.

The speaker is the author of many articles on pest control, has appeared on radio and T.V. programs, and writes a weekly column for several newspapers. Each year his office receives several thousand insects for identification and recommended control measures.

This meeting is one of several planned by the Lake County Extension Advisers as a part of the Cooperative Extension Service program for Lake County.

Scott Asks \$150,000 To Aid Survivors Of Cops, Firemen

Attorney General William J. Scott has asked the legislature to appropriate an additional \$150,000 so that he can continue \$10,000 payments to survivors of police officers and firemen killed in line of duty.

The Attorney General administers the Law Enforcement Officers and Firemen Compensation Act, which provides for the \$10,000 compensation Act, which provides for the \$10,000 compensation. It was enacted in 1969.

The number of deaths has risen steadily and payments currently are being made at a rate of \$350,000 a year.

"I regret to say that the \$200,000 appropriated by the legislature, supposedly to last a year, was gone in six and a half months," Scott said.

"It is a sad commentary on our times that so many good men are meeting deaths by violence, but we must not permit delays in

the \$10,000 payments."

Scott said he anticipated early passage of the appropriation bill, which carries an emergency clause to allow payments as soon as it is signed by the governor.

To indicate the bipartisan nature of the bill, both Republican and Democratic leaders in the senate joined as co-sponsors. Sen. William C. Harris (R., Pontiac) was chief sponsor.

Under the law, payments are made to families and survivors of police officers, firemen, and deputy sheriffs, provided they are on duty when they are killed. Scott has ruled that volunteers are eligible.

A recent compilation showed payments to 17 policemen and 7 firemen.

RUBELLA ASK AND TELL AT GRASS LAKE SCHOOL

Grass Lake School will take part in a county-wide Rubella (German Measles) immunization on March 17. The vaccine is free of charge and all parents are urged to see that youngsters age 10 months to 10 years participate.

The clinic team will begin immunizing promptly at 8:45 a.m., with kindergarten through 4th grade. Pre-schoolers are asked to either pre-register by calling 335-2734 or come in that morning. The team will leave the school by 9:20. ASK and TELL your neighbors about this program. Help stop the destruction of German Measles.

Bible Study Class March 21

The Third Order of St. Francis will hold its regular Bible Study at 2 p.m. March 21 at St. Peter's Church, Antioch. Father Gordin, Provincial Director of the Third Order, Burlington Monastery, will conduct the study.

It's easy to place a classified—Just dial 395-4111.

Snow On Your Roof Means Tight House

After a snow storm, is there snow on your roof for several days afterward? If so, it's a sign that your home is well insulated, says the Chicago Better Heating-Cooling Council, and that's good. It means that the heat for which hard-earned money was spent is remaining in the house.

Insulation is a recognized agent in reducing heat loss to keep a house warmer in the winter. For maximum efficiency it should be installed properly—to hang or lie straight without sagging. A well-designed home is insulated on all outer walls, the uppermost ceilings, and around the foundations to protect ground-level rooms. Floors above crawl spaces and unheated garages also require attention.

Insulation is also important in keeping the home cooler in the summer. Because aluminum is known to reflect heat, some insulation is backed by aluminum foil. This is added protection to keep the heat within the home in winter and outside in the summer.

Incidentally since insulation cuts down on the total heat loss of the house, it won't require as much heating equipment. If you have a hydronic system, it means a smaller boiler and less baseboard heating panels.

Theatre Group Plans Meeting

The PM&L Theatre group will hold its second general meeting of the year on Sunday, March 14, at 8 p.m. at the Theatre, 877 Main Street.

The agenda will include the first reading of the altered by-laws. Of great interest is another production by the Workshop—with regulars and new-comers performing in the long One Act collage for voices "The Brick and the Rose."

Then there was a man who ate his breakfast the night before, so he wouldn't have to worry all night about where his next meal was coming from.

Abbott Promotes David Quinn

The Hospital Products Division of Abbott Laboratories has announced the promotion of David G. Quinn to Director of Product Management.

Before joining Abbott in 1968 as a Product Manager, Quinn was Vice-President of Hospital Information Services, a hospital marketing consulting service.

A native of Clinton, Iowa, Quinn received his undergraduate degree in biology and chemistry from the University of Iowa and

a master's degree in marketing from the Harvard Graduate School of Business.

Quinn and his wife, Kathryn, and their two children, Jennifer and David, reside at R.R. 1, Round Lake, Ill.

Bristol Seaman Aboard Carrier

Navy Fireman Apprentice Gary S. DeHart, of Bristol, Wis., is now serving aboard the nuclear attack aircraft carrier USS Enterprise, which is currently cruising around South America en route to Alameda, Calif.

Deer Survived

How a bunch of short-legged immigrant deer have survived and prospered in mid-America is the subject of a two-year investigation newly launched by Southern Illinois University's Cooperative Wildlife Research Laboratory.

With backing from the Tennessee Valley Authority (TVA), the deer-minded SIU lab will study the ecology, population dynamics and other important factors backing up the success of fallow deer which share some 10,000 acres of Kentucky's Land-between-the-Lakes area with their white-tailed American cousins.

It's about the only place in the Eurasian imports have done well at all. Other introductions of fallow deer in such places as Texas, Nebraska, West Virginia and Maryland have mostly fizzled out.

Some small herds thrive in preserve-like enclosures (Illinois' Argonne National Laboratory, for instance), but the family of fallow in Kentucky is by far the nation's most successful.

For Willard Klimstra, director of the SIU Laboratory, the TVA research grant (\$15,500) fleshes out a cross-continental deer program that probably has few, if any, equals.

Since 1960, Klimstra's field teams have been keeping every kind of book imaginable on the white-tailed deer population at the Crab Orchard National Wildlife Refuge.

Three years ago, with financial support from private and government sources, the SIU Wildlife unit undertook an intensive on-site examination of the habits and life-style of Florida's pint-size Key Deer, a curious pygmy species once at the very threshold of extinction.

The TVA study will add an exotic dimension to Laboratory efforts.

Twenty fallow deer—stubby in the leg, long in the tail and with antlers something like an elk's—were released in 1920 along with 30 white-tails on the old Kentucky Woodland National Wildlife Refuge. Despite the competition and unfamiliar surroundings the fallow herd has since grown to 1,000. Klimstra says their inter-relationships with white-tailed deer will be one thing SIU researchers want to look at. To do this, field sleuths will go to TVA fallow deer country armed with all the tools they have used to track and examine deer in Illinois and Florida.

These include traps, tranquilizer dart-guns, plastic ear-tag streamers and fluorescent collars for day or night spotting; battery-powered radio transmitters attached to the deer so their movements may be followed at all times—perhaps even remotely-activated motion picture cameras.

On Big Pine Key, main sanctuary for the Key Deer, Klimstra's agents have used 8mm. cameras that are triggered by any movement in front of their lenses. Some of the Key Deer bugged with radio transmitters have been in continuous communication with researchers since the start of those studies in 1968.

Robert Hawkins, a doctoral degree student under Klimstra, will be in charge of the Kentucky fallow deer project. Klimstra is looking for a qualified post-graduate candidate who can live and work among the target population for the entire two year study.

It will be the first full scale effort on fallow deer, Klimstra says.

"It appears that the Kentucky herd has got it made; from 20 to 1,000 in 50 years is a bit surprising, considering everything. We hope to find out why this herd has been successful, where others have failed."

Exchange Student Tapped As Lenten Service Speaker

Maria Tabery, a Rotary Club exchange student from Jujuy City, Argentina, will speak at the weekly Lenten Services sponsored by the High School Age Pilgrim Fellowship at the Millburn Congregational Church Sunday, March 14.

The Billy Graham Film, entitled "His Land," will be presented March 21.

Verschueren Completes AF Basic Training

Airman Roy U. Verschueren, son of Mr. and Mrs. Urban Verschueren of 2104 S. Arcade Drive, Lake Villa, has completed basic training at Lackland AFB, Texas. He has been assigned to Keesler AFB, Miss., for training in communications electronics systems.

Airman Verschueren is a 1969 graduate of Grant Community High School, Fox Lake, Ill.

Organ Society To Meet March 23

The Lake County Hammond Organ Society will hold election of officers for the coming year on Tuesday, March 23, at the Lindenhurst Civic Center, 7:30 p.m.

Ron Cornette, past president, will present a program of popular music on the Hammond organ starting at 8:00 p.m. It will be his final program in this area as he will be moving to Florida in the near future. Admission free and the public is invited to attend.

How To Avoid Your Next Auto Mishap

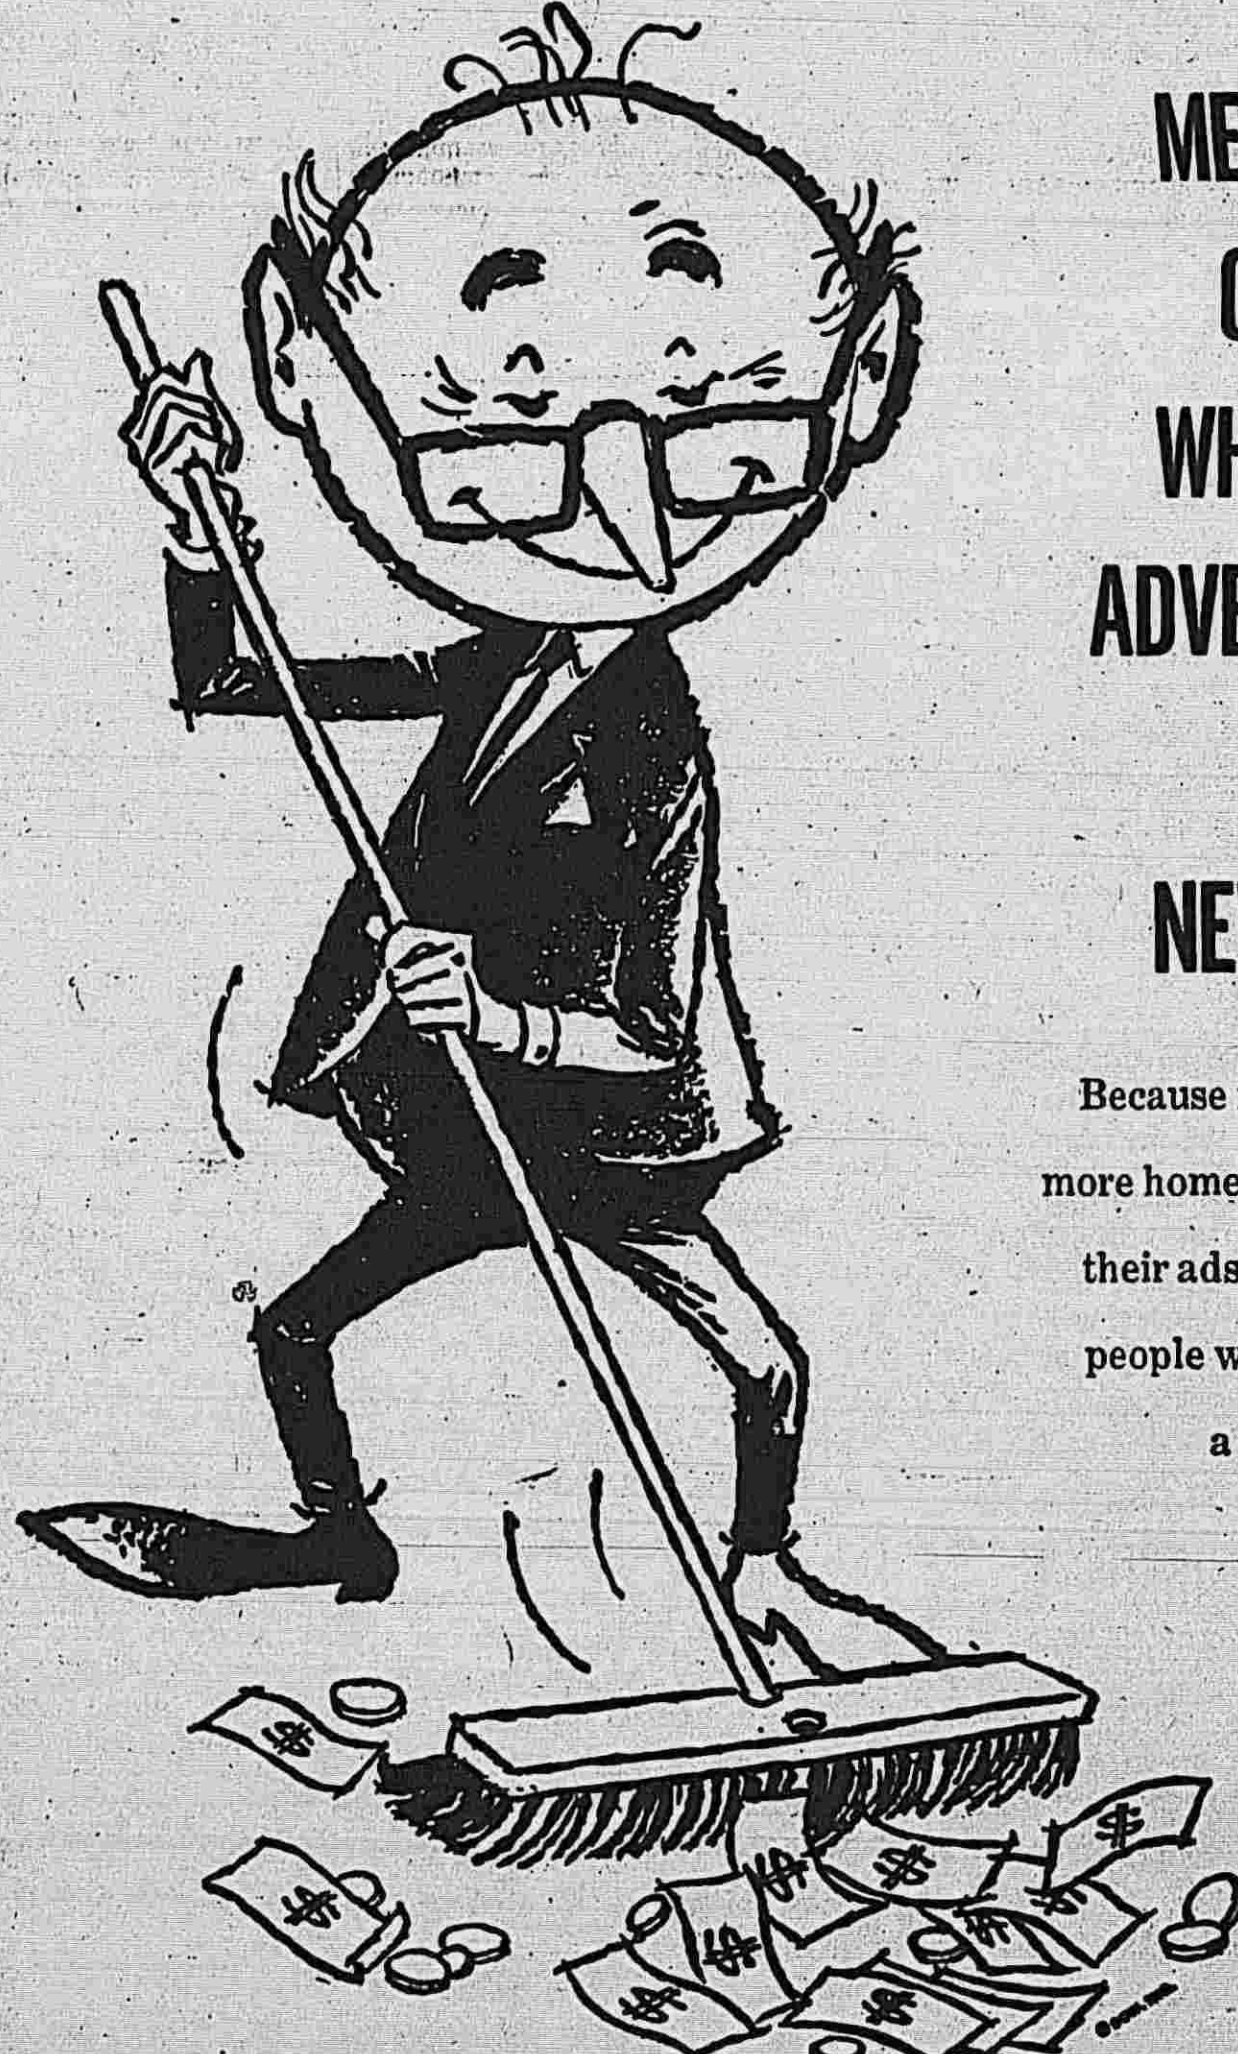

A traffic accident could happen to you, today, tomorrow, or the next time you drive. The accident could be no fault of yours, but most two-car collisions could have been avoided through the exercise of greater care by both drivers, reminds the Lake County Safety Commission.

Safety is a state of mind. When driving, we should make safety our number one mental occupation. "Keep your mind on your driving," is good advice and is the first step to defensive driving. To avoid that next accident, drivers must condition their mental reactions to recognize and anticipate collision-producing situations.

Common courtesy will prevent traffic smashups! You will feel good, and a lot safer when you give the other driver or pedestrian a break, suggests Commission Director Jerry Klebe. Courtesy demands that you use the proper lane and give a clear signal before turning. Courteous drivers always dim their lights, even though the oncoming driver fails to dim his. A polite driver will yield to avoid a smash-up, even though he legally has the right of way.

One of the first rules for skillful driving is to keep your eyes moving and aim high in steering. Keep the whole traffic scene in view, not just the car ahead. The best way to avoid that traffic smashup is to make sure the other driver sees you, warns the Safety Commission.

Self control comes before car control. Behind the wheel is no place to let off steam by reckless speeding or showing off. Haste in traffic can be deadly.

Knowledgeable merchants know the most likely people to become customers are those who have already decided to buy. They know that these people will read the ads before they decide "from whom" they will buy. By advertising in our newspaper, we guarantee you will reach those who are the most prospective customers in this area, and make more sales.

Emmons Takes Conference Title

With one game remaining on its conference schedule, Emmons Grade School has captured the two championships in the Big Six Conference. Mathematically Emmons has eliminated all other contenders.

On March 3, Emmons A team had little difficulty in subduing Spring Grove. In the team's first match at Spring Grove, Emmons had to struggle for its victory. This time, however, Emmons easily downed Spring Grove 67-25.

Emmons, out in front 19-3 after the first period, coasted to an easy victory. The Raiders, playing a wide open game, outscored their rivals 63-43. The Raiders controlled the boards at both ends.

Bob Dodd led all scorers with 30 points. Dodd also added 10 rebounds for the Raiders. Helping Emmons to clear the boards was center, Jim January with 10 rebounds. Bill Petty added 8, while Jeff Eder and Jeff Smith hauled down 7 each. Schmidt also had 9 points for the winners. The only bright spot for the Eagles was the play of guard Tom Hoffman. Hoffman scored 10 and played a good floor game.

In the B game Emmons had a difficult time staying unbeaten. It was only with 45 seconds left that Scott Maras hit the first of a one and one. Maras missed the bonus shot, but Bill Dubek got

the rebound and a basket for the three point victory. Maras scored 8 for Emmons and Dubek 6. Mike Rabelhofer scored 10 for Spring Grove. The final score had Emmons on top 19-16.

The Raiders are now 9-0 in each division. The Raiders can close the season with unblemished records in conference play with one game remaining. The Raiders are coached by Mike Mitchell.

91 Participate In Mat Session

On Saturday afternoon, 91 Antioch area grade school boys participated in the third annual Antioch Invitational Wrestling Tournament. For the second year in a row, Lake Villa Intermediate School set the pace by scoring a total of 71 points. Emmons School was a distant second with 27 points, followed by St. Peter with 10 points, Grass Lake with 3 points. Of the 37 ribbons awarded, Lake Villa claimed 22, Emmons 7, St. Peter 4, Antioch 3, and Grass Lake 1.

Ribbon Winners—1971
Winners are listed in order, 1st, 2nd, 3rd.
69—Aerne, L.V., Pike, L.V., Gossman, St.P.
74—Dietz, L.V., Ring, St. P. Stickler, Ant.
81—Ring, St.P., Severson, L.V., Schneider, L.V.
87—Parpan, L.V., Selgerl, L.V., Davis, Ant.
94—Wyatt, Emm., Jones, L.V., Vickers, L.V.
101—Thain, Emm., Popp, L.V., Coles, L.V.
109—Straka, L.V., Holen, L.V., Dodd, Emm.

Two Generations Will Compete In Auto Races

Two generations of a stock car racing family will be in late model competition Saturday night April 10th when the Waukegan Speedway kicks off its 1971 stock car season. While 40 year old Bob Delaney starts his sixth year of racing, his 18 year old son Rick will be just in his rookie year.

The elder Delaney came into his own at the Waukegan track in 1970 as he finished ninth in points and timed .00.01 of the 1969 track record. A mid-season injury after a spectacular collision with the first turn wall sidelined Bob for two weeks or he would have likely wound up in seventh spot in the points.

Rick Delaney, now a senior at Lake Park High School, has been helping his dad work on the race car for the past six years, and now it is dad's turn to return the favor. Rick will be driving the 1966 Ford which his father raced most of last season. Meanwhile Bob has a sparkling new 1969 Ford Torino for this year's entry. He says the car is lighter than last year's and there will be more horsepower coming out of the 427 engine. Both Fords are painted a bright red, Bob's with the familiar number 81 on the doors and Rick's carried number 82.

Since the cars are almost ready to race, the biggest problem Bob has right now is deciding how to get both cars the 45 miles from his Kenneville home to the Waukegan track using just one truck! But Bob is sure it can be done and figured both cars will run well both Saturday night April 10 and Sunday afternoon April 11.

Bob is a plumber by trade. Both of his cars are sponsored by Brod Plumbing and Heating of Addison. In his spare time Bob has been helping his youngest son Robert Edward on his 1964 Ford drag race car and his nephew Bob Mayfield on a 1962 Ford hobby stock.

Many a success story has a bad ending as did the Sequoias who suffered a dismal defeat at the hands of the Wheeling Wildcats, 78 to 53.

Although Wheeling, the eventual champs stopped us early in our regional title bid, it was a "successful season."

Some impressive statistics were posted by our Antioch ball club as they bettered any other ball club's record in the county with 23 wins and 6 losses. Along with a great record, some fine individual statistics prevailed by the Antioch quintet.

Bolton led all scorers with 22.1 points per game at a sizzling 52% from the field. Following all conference Keith Bolton were Bentel and Mieuire at 11.0 and 10.7 points per game at a 50% clip from the field. Tom Martin

Team standings:

Bokstedt 1 0
Kenny 0 0

32 14

As usual, a fine crop of juniors will move up to take the respective starting positions of Bentel, Martin and Bolton. Some likely candidates for next year's club seems to be Tim Mieuire and Pat Michalak.

Other juniors who rate as tough prospects are Ken Tell and Jeff Williams. Along with these fine athletes comes an excellent sophomore team that ranked 2nd in conference.

It's been my pleasure this year to be a member of an Antioch Basketball team. Not only to be with some great ball players but also to be with the best coach in the conference—Mr. Andrews.

As usual, a fine crop of juniors will move up to take the respective starting positions of Bentel, Martin and Bolton. Some likely candidates for next year's club seems to be Tim Mieuire and Pat Michalak.

Other juniors who rate as tough prospects are Ken Tell and Jeff Williams. Along with these fine athletes comes an excellent sophomore team that ranked 2nd in conference.

It's been my pleasure this year to be a member of an Antioch Basketball team. Not only to be with some great ball players but also to be with the best coach in the conference—Mr. Andrews.

NEW!
A Professional Placement Service In Antioch
OVER THIRTY YEARS OF BUSINESS AND CONSULTING EXPERIENCE

Local and nationwide job opportunities for experienced people with degrees or at least two years of college.

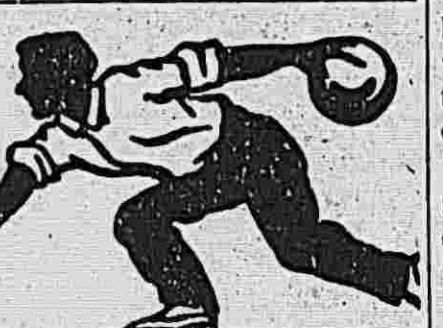

Fee paid positions in manufacturing, engineering, industrial engineering, accounting, finance, administration and industrial relations.

If you are ready to make a change now or would like us to locate a future "move up" spot for you, give us a call or drop us a short note with your resume.

Evening or Saturday interviews can be arranged.

Clavey Explains Traffic Notices

Last month, Sheriff Orville "Pat" Clavey announced that written warning notices will be issued to traffic violators for minor infractions of traffic laws.

The statement brought some legitimate inquiry from some motorists who wanted to know more about the difference between a warning notice and a citation. Under the policy of this Department, the warning notice will be considered only when there is a minor non-traffic or accident wherein circumstances are beyond the driver's control.

Enforcement tolerance may be considered where mechanical or other defects are factors and where reasonable human awareness was exercised to avoid the infraction. In borderline cases, the decision to warn instead of to cite may suffice, but it is no guarantee that the driver may not be issued a citation if the officer is not convinced that the violation was not intentional, Chief Deputy Jerome Schuetz said.

This deviation from the normal procedures does not weaken traffic enforcement laws, but rather reinforces them. It eliminates the reasonable doubt that, in fact, a violation of traffic law has occurred. When the enforcement tolerance is in question, it is better to issue a warning notice rather than to cite a motorist who was not aware of the danger and the hazard he has created.

Warning notices will lose their effect if they are issued as an excuse in the process of decision making, or if they are issued indiscriminately because of a driver's good intention, the Sheriff said.

If a traffic violator is not taken into physical custody, the mere issuance of a traffic citation does not constitute submission to arrest. A traffic citation has, however, the same effect as an unexecuted warrant and is considered to be similar to a subpoena to appear in court on a specific date to answer specific charges. If the person to whom the citation has been issued does not appear on the date specified on the citation,

he may forfeit his bail or his driver's license if it was posted in lieu of bail. The appearance in court is voluntary on his part even though a warrant for arrest may follow in case he fails to appear. A warning notice, on the other hand, has a degree of administrative application. It could serve as a future deterrent as well as an educational tool. It has no immediate probative value unless the warning is ignored and the incident is repeated by the driver. To be sure, the written notice for minor traffic infraction constitutes the driver's driving record which is on file in the Department. The cumulative information will be critically reviewed if the driver should come before the court should he receive any subsequent citation for a traffic violation, the Chief Deputy said.

Irrational Misfits Blamed For Turmoil In The Nation

Much of the turmoil today in the nation is blamed on the unreasonable demands of irrational misfits. J. Edgar Hoover, director of the Federal Bureau of Investigation.

The FBI chief made the observation in his monthly message to all law enforcement officials throughout Lake County and elsewhere in the nation.

He added: "Reason is a noble trait. But it is not always popular or newsworthy to be reasonable. In fact, in many instances today more courage is required to stand for reason and common sense than to defy lawful authority."

"It has been said that 'Wise men are instructed by reason; men less understanding, by experience; the most ignorant, by necessity; and beasts, by nature.'"

On this premise, an impartial appraisal of many happenings in our society might reflect that we rely too much on necessity and nature. Or as some would say in a more common vernacular—reason is out; irrationality is in.

"There is not much logic or reason behind actions that are self-destructive, deeds that are reckless and irresponsible, crimes that are senseless, and conduct that is degrading to mind

and body. Motivated by vague, diverse causes, people abandon reason and pursue fantasies that defy comprehension.

"To most Americans, it is inconceivable that some dissidents would repudiate ideals and principles that have made America the world's most successful and powerful free society. It is unbelievable that people would embrace semibarbaric movements and subcultures which have no medium of human reason and which advocate the destruction of the establishment without any plan of replacement or survival. We hear much about the rebellion against 'the establishment' but there are many people who feel it is a rebellion against reason."

"A lawful society is based on the will of the people. Laws and rules of conduct are made to enable people to live together. Under this system, those who choose not to conform and who endanger the rights of others are subject to punishment according to the law. As our society becomes larger and more complex, law and order become more crucial. Thus, breaking the law and defying authority become paramount problems."

"Much of the turmoil in our country today is caused by the unreasonable demands of irrational misfits—people who debase our basic concepts to include provocation, incitement, violence, destruction, and crime."

"They are demanding more than a free nation can give if it is to survive. They should remember that America's greatness lies not only in her achievements but also in her aspirations. However, for those whose hearts are blind to truth, the light of reason is hard to see."

FUNERAL NOTICES

EDWARD F. BRHEL

Mr. Edward F. Brhel, 68 years old of 441 Orchard Street — Antioch, Ill. passed away Saturday March 6, 1971 from a heart attack at his home. He was born in Chicago, Ill. and had lived in Antioch for many years. He held membership in the Antioch American Legion Post No. 748 — Antioch Veterans of Foreign Wars Post No. 4551 — And the Antioch Loyal Order of Moose Lodge No. 525. Mr. Brhel had served in the U.S. Navy during W.W. II and was a sign painter by occupation. He is survived by 2 brothers John & Louis Brhel in Chicago and one brother in Florida.

Funeral services were held Tuesday March 9th at St. Pious Church in Chicago. Visitation was at the funeral home at 3100 W. 59th Street in Chicago. Interment was in St. Adalbert's cemetery at Niles, Ill. Local arrangements were made by Strang Funeral Home in Antioch.

ARTHUR J. McGREAL

Mr. Arthur J. McGreal — 74 years old of Harlingen, Texas passed away at 7:00 a.m. Friday March 5th at Valley Baptist Hospital Harlingen, Texas. He was born July 31, 1896 in Bristol, Wis. and then worked as a motorman for the North Shore Railroad from 1921 to 1929. In 1929 he began farming in the Antioch area, and later became a livestock buyer and farmer until his retirement in 1966. He has made his home between Harlingen, Texas in the winters and Antioch in the summers since retirement. He is a member of St. Peters Church in Antioch and St. Anthony's church in Harlingen. He also holds membership in the Antioch American Legion Post No. 748 and the Antioch A.A.R.P.'s. He married Dorothy Freund on June 27, 1932 at Antioch.

Survivors are his wife Dorothy — one daughter, Mrs. Rose Ann (John) Pichik (Elmhurst, Ill.) one son Thomas McGreal (Guttenburg, Iowa) — three sisters Mrs. Florence Hahn (Kenosha, Wis.) — Mrs. Margaret Eldridge (Carrey, Idaho) — Mrs. Kathryn Reinke (Waukegan) — and seven grandchildren.

Good intentions never saved a penny.

It takes a commitment to save money. To your family, to the future. And maybe to your country. Good intentions just aren't enough.

That's why the Payroll Savings Plan works so well. It's a way of saying "I'm committed."

And it's almost effortless. All you do is sign up once, where you work. Then the amount you specify is automatically set aside from your check each payday and put into U.S. Savings Bonds. You have automatic saving power.

After all, it's hard to spend money you don't touch.

Oh, you'll touch it someday. For that house, or dream vacation, or for your kids' college education.

*And now there's a bonus interest rate on all U. S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years 10 months (4% the first year). That extra ½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds.

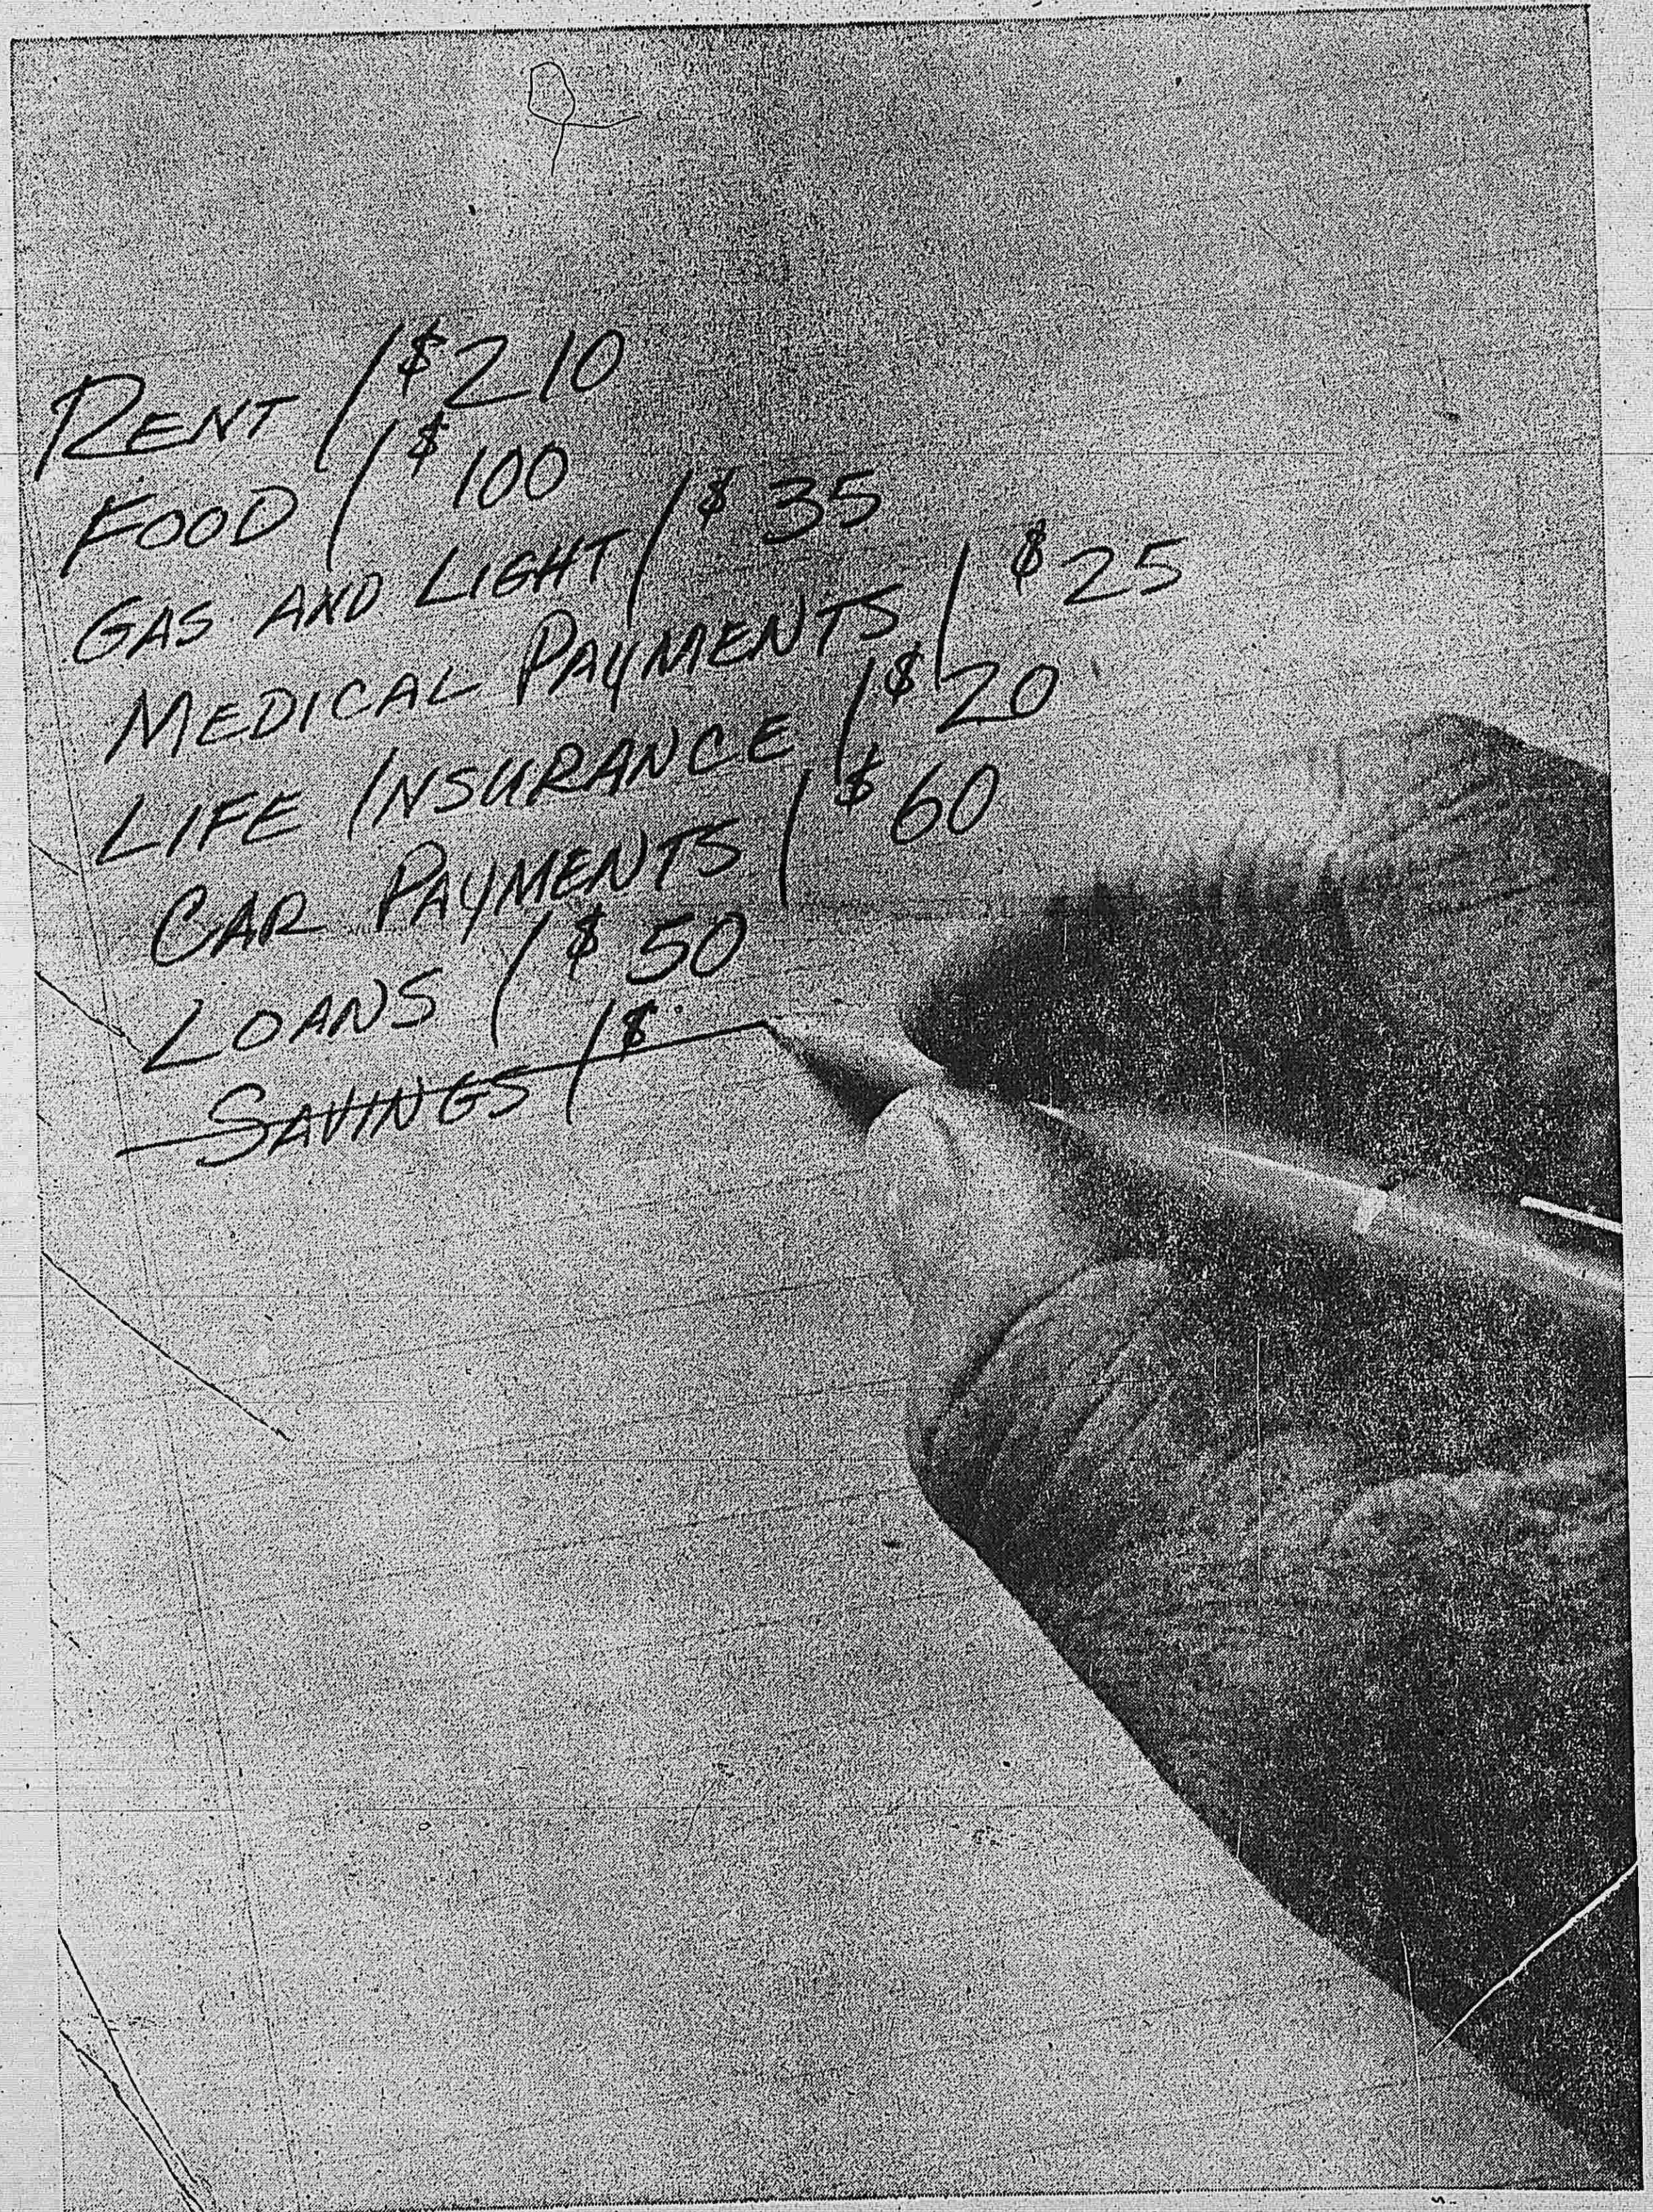

So think it over. The Payroll Savings Plan. It's a small effort, but it's a big commitment. For you and your country.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.
With higher paying U.S. Savings Bonds.
